County Newsgraphs.

Many Russians and Mexicans have been shipped into the Hershey and Sutherland sections to take care of the best crop. These laborers are given \$21 per acre for the hand work.

Sutherland has organized a ball team which the Free Lance says will result in that village occupying a more conspicuous position on the map of Nebraska. The team is now ready to play any team in Nebraska—though not sanguine of always winning.

The cherry harvest in the valley is now in progress, and the crop is said to be good. In some instances the crop is being sold for six cents a quart on the tree. As the purchasers pull the cherries from the stem, a quart means a solid quart of the fruit.

Ray Hougeland, who had his jaw and chin smashed by the kick of a horse several weeks ago and had been taking treatment at St. Luke's hospital, in North Platte, has returned to his home south of Sutherland.

The village board of Hershey has employed Paul Meyer of North Platte to establish street and sidewalk grades preparatory to a systematic grading of the streets and sidewalk laying. Hershey is each day dropping some of its swaddling clothes and putting on the apparel of a "grown up."

The Extension Department notified the secretary that Maxwell could not secure the "short course" this year as they had already contracted with three points in this end of the state, Paxton, Hershey, and Farnam, the latter for the third time.—Maxwell Telepost.

Ex-senator C. A. Sibley, of Fox Creek, and Postmaster Langvion of Curtis, were North Platte visitors Monday. They said wheat in their respective sections would not be a very heavy crop, but that corn is doing fine.

D. M. Leypoldt and Carl Wickstrom, of HERSHEY, spent last week Oceola examining a flouring mill with a view of constructing a similar mill at Hershey.

A census of the Hershey school district developed 150 children of school age. Children in that section prove as prosperous a crop as do alfalfa, corn and sugar beets, and they are a bright lot of boys and girls.

The Wallace Winner avers that John Thompson of that section has 160 acres of the finest wheat in the country. That means that John Thompson will have at least 5,000 bushels of wheat to cart to market next fall.

The Hershey Times editor took a drive last week through the sugar beet section and in summing up the condition says: The beets are coming fine and bid fair to making one of the largest yields this section has ever raised. One especially fine field was that of Roland Frame's. He has eighty acres and his help is nearly through with the thinning and are ready for the hoeing. They were splendid and the best we saw on our trip.

Thomas McDermott, of Walker precinct, came to North Platte Saturday for the purpose of enriching the county treasury to the extent of about \$300. Mr. McDermott is a heavy land holder in that precinct, and is also one of the early settlers. He has prospered and grown to be well-to-do.

The Maxwell school board has elected Mr. Campbell of Greeley Center superintendent of the school, Miss Clark principal, Miss Kane assistant principal and Miss Beaty grade teacher.

Efforts have been made recently to make what is known as the north road between Sutherland and North Platte attractive to travel, or better than the official road, in order that it may ultimately become the official route. The country traversed by the north road is somewhat better for roadmaking than that a mile south and the prosperous farms there give the traveling public a better impression of the country.—Sutherland Free Lance.

A Chance for School Girls and Boys to see the Chautauqua Free and Get a Cash Prize Besides.

We have decided to give every school girl and boy selling \$20 worth of season tickets to the Chautauqua, that is 10 adults or 20 children tickets or in that proportion, an adult season ticket and to the child turning in the largest receipts for the sale of tickets a \$10.00 cash prize and to the one turning in the next largest amount, \$5.00 cash prize. All tickets and reports must be turned in by 6:00 o'clock Saturday evening, July 12th, 1913, and the winners of the cash prizes will be announced that evening at the Chautauqua.

Remember, every child that sells \$20 worth of tickets gets an adult season ticket.

The Chautauqua will be better this year than ever, so every one will want tickets. Let's get busy.

For further information and tickets, call at C. F. Temple's office, Room 1, I. O. O. F. building.
