Ask for Extension of Mail Delivery

Residents of the northeast, northwest, southeast and southwest portions of the city, not now covered by carrier districts, have petitioned the postoffice department to include these sections in the carrier districts. These petitions were handed to Postmaster Davis, who gave them his endorsement and then forwarded them to Washington to the proper officer. Should the petitions receive favorable consideration, and it is believed they will, an inspector will be sent here to go over the territory and the department will be governed by his findings. Living in the territory asked to be included in the districts are a hundred or more families, and if the petition for the service is granted, one, and possibly two, additional carriers will be necessary.

Postmaster Davis has notified the residents of Graceland addition—about a dozen families—that if they put up boxes they can have a daily mail delivery by the carrier on the route which runs east and west on the south side of the South Platte river.

Mrs. Joseph Donegan has notified the Fourth of July committee that the girls' flower society of the Catholic church to the number of sixty will participate in the parade. The girls will be dressed in white and carry bouquets, and after the parade they will march to the three hospitals and present the flowers to the patients. This will be quite an addition to the parade and the presentation of the flowers to the sick will certainly be a kindly act.

The quietude and monotony of the residential west end was broken yesterday forenoon by a man chase. A hobo had committed an indecent act at one of the ice houses, was berated by the foreman and in return cursed the foreman. The latter started for the hobo, who took to his heels followed by the foreman and in the chase that followed a dozen men participated. The hobo was a sprinter, however, eluded his pursuers and hid in the weeds in the south part of town, from which he was dragged some time later by Officer Frazier and given four minutes to get out of town.

MRS. ZEHNER, AS A GIRL, DIDN'T LIKE YANKEES

Then, as a Young Woman, She Came into the North and Married One. Says Now They're All Right.

Mrs. A. C. Zehner was born and reared in an aristocratic southern home. As a child, she was cared for by an old colored "mammy." This old darkey woman, as was characteristic of the southern darkeys at that time, believed that a Yankee was the worst sort of a person that lived. And

Mrs. Zehner, as a little girl, was brought up in fear of the Yankee just as boys and girls now-a-days fear the dreadful hob-goblin. She used to cry when she was told that a Yankee would some day get her. But, as a young woman, she married a Yankee. Now she is the great exponent of the one country idea, a cementing of interests, all working for a common good. She is one of the most gifted women on the Chautauqua platform.

Boosters Visit Brady and Maxwell.

Forty-four automobiles loaded with boosters for North Platte's Fourth of July celebration, visited Maxwell and Brady Wednesday evening. Leaving here shortly before seven o'clock, headed with a car from which "old glory" floated, and followed by cars in which were seventeen members of the military band, and with nearly all the other cars decorated with bunting and appropriate placards, the boosters had a smooth run to Maxwell over a road that was never in better condition. In the cars were many ladies, and to other credit it may be said that as boosters they are not second to be men.

Arriving at Maxwell the band played several selections, buttons and advertising matter was distributed and cordial greetings were extended to the good people of Maxwell and a pressing invitation extended to them to spend the Fourth in North Platte.

The run to Brady was made over the road along the railroad track, which was found to be in good condition. At Brady the same program as carried out at Maxwell was enacted, the stay there being a little longer than at the former place.

At both towns the people turned out en masse and gave evidence of the Lincoln county booster spirit by according the visitors a hearty welcome.

The ride home was a most delightful one, the temperature being sufficiently cool to demand light wraps for the ladies. Coming up the valley the forty-four cars with their brilliant headlights presented a very pretty appearance.

This evening the boosters got to Hershey and Sutherland and an effort will be made to have fully fifty cars in line.

Obituary.

Sarah A. Ames was born in Canada April 8th, 1875; when she was six months old her parents moved with her to Lincoln Nebraska. Later the family came to Lincoln county. When 16 years of age she united with the Methodist Episcopal Church at Lone Tree school house. On March 15th, 1892, she was united in marriage to John F. Lister then residing in Frontier county. To this union three children were born. All of whom are living.

After a residence of four years in this county Mr. Lister moved with his family to Cozad, Nebr., where they lived for 11 years, after which they moved to the vicinity of North Platte where they were living at the time of Mrs. Lister's death Tuesday, June the 24th, 1913.

For three months our sister suffered great bodily pain, yet she ever manifested that kindly spirit and patience which is a characteristic of those who have a faith that reaches beyond the veil. She stepped into the shadow unafraid for He who walked by her side was the giver of all light.

Mrs. Lister leaves to mourn her loss a devoted husband, two daughters Nellie and Veima and one boy baby Murl.

CRYSTAL THEATRE

Friday Night

The Three Reel Special "WHY?"

An American Production

This is allegorical study of some great American problems. Many of the issues of the day are introduced in a logical manner through the dream of a care-free young spend thrift, who has been thoughtlessly wasting his time despite the entreaties of a father, who was devoting his life to investigation and research for the benefit of humanity.

"Why?" is a great picture, as a production, as a sermon and purely from the artistic and spectacular standpoint.

With this we have one comedy reel that will be hard on "Old Sour Faces."

Saturday Night

"World at Large" A Rex drama. Released June 3th.
"A Mixup in Bandits" A Nostor comedy. Released June 2nd.
"Just a Fire Fighter" An Imp comedy. Released June 2nd.

Monday Night

The two-reel Bison, "The Grand Old Flag" Released June 10th.
"The Count Retires", an Imp comedy Released June 7th.

THE NATIONAL EVENT

Saturday, June 21st,

--to--

Saturday, June 28th

The best retailers all over the United States have set aside this week to make a complete demonstration of Marx Made Trousers. They are garments of a national reputation with individual character in every pair—that's why we think them worthy of this special consideration. Marx Made Trousers embody so many new and practical ideas in trouser construction that it's worth your while to do some investigating on your own hook.

For example—Take the "Wunder Waist Band," an exclusive feature to be found only on Marx Made Trousers.

The "Wunder Waist Band" insures perfect fit at the hip—it keeps your trousers from sagging at the waist—it makes them hang perfectly, because it is a belt-holding device, made of one thickness of cloth on scientific principles.

Marx Made Trousers are superior, because they are perfect and more desirable—more are sold than any other make, that's why the manufacturers of Marx Made Trousers command first choice of trouser materials on the market.

Remember the Date—June 21st to June 28th.

It's hot, to be sure, but you can't go without trousers, even if you do shed your coat and vest.

More than a million men wear MARX MADE Trousers with the "Wunder Waist-Band"

"Pittsburgh Perfect" Fence

Because it's Welded, you can take it Down and Put it Up Without Injuring the Fence

That's a good point to consider. Many a time you would shift a line of fencing from, say, the bull pasture to the hog lot—if it didn't destroy the efficiency of the fence.

In "Pittsburgh Perfect", the only fence with electrically welded joints, the stays are permanently joined to the line wires.

Made in Different Styles for FIELD, FARM, RANCH, LAWN, CHICKEN, POULTRY and RABBIT YARD and GARDEN

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other fence is just as good. If he doesn't sell it, write us direct.

"Pittsburgh Perfect" Brands of Barbed Wire; Bright, Annealed & Galvanized Wire; Twisted Cable Wire; Hard Spring Coil Wire; Fence Staples; Poultry Netting Staples; Regular Wire Nails; Galvanized Wire Nails; Large Head Roofing Nails; Single Loop Bale Ties; "Pittsburgh Perfect" Fencing. All made of Open Hearth material.

It is actually a one-piece fence. Taking down "Pittsburgh Perfect" and re-stringing it doesn't hurt it a bit. This is one exclusive "Pittsburgh Perfect" feature of economy perhaps you haven't thought of. Our catalogue, sent free, tells of many more. Get a copy at once.
