

**Carnival Company
is Well Pleased.**

The Rice & Dore carnival company folded its tents at midnight Saturday after a week's stay in North Platte and left Sunday morning for Laramie, where it will play this week. Mr. Dore, who was with the company during its stay here, expressed himself as well pleased with the patronage and treatment received here and hoped that the people of North Platte were as well pleased with the show. The receipts for the week were about five thousand dollars, the bulk of this sum being received on the Fourth of July and the following Saturday night. The attractions offered by the company were up to the average offered by carnival companies, several were better than the average and some below the average, but on the whole the people seemed to think they received full value for the money expended. The employees of the company were an orderly set of people, and created no trouble of any kind. Considerable litter was left on the streets, but by noon yesterday Street Commissioner Salisbury had everything cleaned up.

Buy Out Greeson.**

Greeson has sold his grocery business to Oscar Sandall and Charles Lierk, Jr., the deal having been consummated the latter part of last week and the purchasers taking possession yesterday morning. Mr. Sandall for several years has held a position at the U. P. freight house, while Mr. Lierk for a number of years was clerk in the Tramp grocery and knows the business from a to z.
