In Platinum and Gold

Dixon The Jeweler, since the foundation of their business have continuously maintained the highest standard of excellency in their goods.

This policy, together with knowledge gained from years of working with gems and precious metals and making them into jewelry that appeals to those who know and demand the best, has made possible the magnificent display to which your attention is now invited.

The superb designs which we have recently added to our collection enjoy that same style distinction and perfection of workmanship which characterizes every DIXON production.

We are using the new metric system of weights.

Surprising Cure of Stomach Trouble.

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengle, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all dealers.

CRYSTAL THEATRE

Tuesdays Program

"His Mother's Love," is a very dramatic story of the poor boy who goes out in the world to win his fortune. The portrayal of the mother's love is strong enough to hold the interest throughout.

"Will Power," contains a string of laughs, being a comedy based on hypnotism.

"The Smuggled Lace," is another comedy. This one has its setting in the custom house.

Animated Weekly.

Wednesday Program

"The Guerrilla Menace," is a two-reel Bison having to do with the romance of Sue a daughter of the Confederacy. Jed was her lover and he had a rival in the tavern keeper. Running along in a minor strain is the courtship of Captain Bruce Douglas and his sweetheart Pauline. The scenes are laid in the hills of Dixie.

"Jane Marries," gives one more of the experiences of Jane. Here she marries the young man to save for him the fortune of his aunt, the terms of her will being that he must be a benedict before 4:00 p. m. on his twenty-sixth birthday.

Thursday's Program

"The Garden of Allah," is our special offering for this date. This well known novel by Robert Hichens has been prepared for the screen by the Leiber Company. "The Garden of Allah" has been on the stage for some time and is considered out of the ordinary because of the extensive equipment required to produce it. This will be a good opportunity to see a really first class production at the usual price 10c.
