Surprising Cure of Stomach Trouble. When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengle, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all dealers.

Asks \$20,000 for City Hall.

A petition signed largely by owners of real estate will be presented to the city council asking that a proposition to issue \$20,000 for a city hall and fire department building be submitted to voters at the special election to be held August 19th. This building is one of the urgent needs of the city, and we believe that a majority of the voters now look at it that way, notwithstanding that in the past the proposition failed to receive the necessary majority.

Lutheran Church.

The regular service next Sunday morning at 10:30. Mrs. Dill and Mrs. Huffman will sing a duet at the service. The Sunday school at 12 o'clock and the Young People's Missionary meeting at 4 p. m. August 3d and 4th the Bloomer Girls will be here, and on the 6th and 7th the Lexus team of Omaha, a very fast aggregation, will perform on the local diamond. Other games are dated later in August.

Chautauqua Closes.

The Chautauqua closed last night with a concert by the Royal Guards Band, which unquestionably proved the most popular number on the program. The Chautauqua was not so largely attended this year as in past years, this being largely due to the fact that the number of season tickets sold was much less. In the sale of tickets there was not the united action of former years, the burden falling largely on Charley Temple and Lawrence Carpenter, and unfortunately the former was compelled to be absent from town just at the time his efforts were most needed. Mr. Temple practically took the responsibility of selling seven hundred dollars worth of season tickets. The number sold fell about one hundred dollar short of this amount and Charley "holds the sack."

A contract for the return of the Redpath-Horner Co., for 1914, has been made, but this time about twenty business men stand back of the proposition, so if there is a deficit next year the assessment on each will not burden some.

As to the quality of the talent given us this year there is a wide difference of opinion, some maintaining that it was up to the average of former years, while others considered it not nearly so good.

Our sale continues all during this week, special bargains all the time. We offer the best values of the season. Cut prices on every item in the store, and we are offering much better prices and values than ever before offered. You can't afford to miss this sale. E. T. TRAMP & SON.

Mr. and Mrs. A. J. Neale, of Stapleton, who are visiting friends in town, will leave in a few days for California to spend several weeks.
