WE BELIEVE in the goods we are selling and that their quality will please our customers.

WE BELIEVE that honest treatment can be given to honest people by honest methods.

WE BELIEVE in working—not weeping—in boosting—not knocking, and in the pleasure of our daily duties.

WE BELIEVE every person gets what he goes after, that one deed done today is worth twenty to be done tomorrow.

WE BELIEVE in courtesy, in kindness, in generosity, in good cheer, in friendship and in honest competition.

WE FIND there is something doing all the time and true pleasure in following our creed.
