Base Ball Notes.

The game at Willow Island Sunday was the best of the season. Rasmussen and Folden were batteries for Willow Island while Maupin and Danze were in the box for the local team. Rasmussen struck out six men and Maupin caused seven to lay down the bat. North Platte had four runs, seven hits and two errors. The Willow Island team had three runs, six hits and two errors. A feature of the game was McClure's home run of a single when ball was lost in the grass in the out field. Willow Island scored two on a misjudged fly in right field.

The attendance at the game was about four hundred. Umpires were Finney and Carroll from Cozad. The game stood 3 to 3 until the first half of the ninth inning when the winning score was made by the North Platte team.

Arrangements were made for a game between the same teams at Willow Island next Sunday afternoon. No. 18 will stop for the convenience of those who wish to attend from this city and Gothenburg.

The local base ball diamond is being worked in first class condition for the game this afternoon with Cozad who have strengthened their team and come here confident of victory, a good game is anticipated. Close to three hundred booster buttons have been sold for the game on Friday afternoon between the Kearney State League and the home boys and indications are that the entire five hundred will be disposed of before the game is called. Maupin will be in the pitchers box for this game and the entire nine is in excellent condition for a fast game. An effort is being made to have the business houses close during the game.

Crop Conditions.

It is gratifying to note that crop conditions are picking up after the double header hail storm of the week ending July 12th. Corn is coming in nice shape and bids fair to making a nominal yield. The second crop of alfalfa was not entirely lost to those who went right into their fields with mowers. A great deal of feed will be obtained the cutting and otherwise alfalfa is in fine shape again. The beets are coming in splendidly and while the growth has been retarded some, the better fields will still put forth a big yield. The small grain crops in the valley were ruined, that is, those that had not been harvested. Wild hay is in abundance.—Hershey Times.

Hunter Orchard is Pride of Lincoln County.

Eastern Nebraska has won the reputation of being the best fruit region, year after year, in the United States. However other portions of the state have claims which must be considered. Near the town of Sutherland in Lincoln county is the thirty-four-acre orchard of David Hunter. Secretary Marshall of the state horticultural society has figures and records of the last four years on the Hunter place.

The 1900 yield in apples, 10,000 bushels; 1911, 5,400 bushels; 1912, 9,000 bushels and 1913 (estimated) 10,000 bushels, a total for four years of 34,400 bushels. The income was \$25,000 gross for four years.—World Herald.

North Platte Tennis Club Tournament.

The North Platte tennis club are holding a tournament, the first round matches being played Saturday evening by O. R. Robinson and Edward Schatz, the former winning by 6-2, 6-3. Sunday evening the match between Louis Tobin and Arthur Bullard was won by the latter 6-2, 7-5.

Monday evening Robert Armstrong beat Albert Schatz 7-5 6-1, Schatz playing a brilliant game but finally succumbed to the veteran. Joe Schatz furnished the surprise of the evening by winning the second and third sets of his match with Francis Flynn, making the score 7-9 6-4 6-2. Schatz played a very steady game while Flynn was unsteady, not playing up to form. Chas. Pass beat M. J. O'Connell 8-6 6-0 demonstrating a good knowledge of the game. Birge beat Chapman 6-3 6-2.

The tournament is held to decide who is to play for the Dixon loving cup which is now held by Wm. Otten. Prizes for the winner of the tournament are offered as follows: First prize, sweater by J. B.
