England and the Maximum Wage. England knew the maximum wage long before the minimum was thought of. It came about after the plague of 1348 had swept away half the population. Work was at a standstill for want of workers and wages went up so enormously that the state thought it necessary to fix a limit. The state orshaped valley surrounded by mountains dered that the laborer should not merely accept gratefully what was offered him, but that he must not leave his parish in search of another master on pain of having the letter "F" (for fugitive) branded upon his forehead. Statutes of this kind were popular up to clover and timothy which produces that it should banish idleness, advance husbandry and yield unto the hired person, both in the time of scarcity

Remarkable Cure of Dysentery.

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. Forsale by all dealers.
