See the Styles your Great Grandmother wore

A Ten Thousand Dollar Moving Picture Film. Three Thousand Feet in length, portraying by Motion Photography the styles of the century in contrast with those of today, will be shown to our friends and customers.

The title of the film is Mrs. Carter Worthington's Dilemma. It portrays in an interesting and fascinating way the difficulties that our women friends encounter in their efforts to procure costumes, gowns and tailored suits that meet the approval of those who know style, fit and tailoring.

Mrs. Worthington has an annoying experience in search for a new costume in which to attend the Annual Costume Pageant of the Delaware Society, and her troubles are solved by her bosom friend, Mrs. Lila Laskerfield who has discovered the merits of PRINTZESS.

During the Costume Pageant, we will introduce on film the styles of the last century beginning with the girl of 1800 and proceeding by 10 year periods up to the present day.

The third reel will portray the visit of Mrs. Lila Laskerfield to the home of the PRINTZESS and just what she saw while watching the making of a PRINTZESS garment. On the last reel we show a parade of living models, wearing the styles of the season, the very garments that you will see in our department.

TICKETS ARE GRATIS and can be obtained only in our garment department. Ticket distribution will begin on Thursday, September 25, and continue until the seating capacity of the Empress theatre is exhausted.

Make this a gala occasion, call up your friends, have them meet you in our department. Make up a party to attend this Fashion Exhibit in a body, and know what the styles for Fall really are.

Remember the Date—October 1st, 1913, beginning at 8 p. m. in the Empress theatre.

Ticket distribution begins Thursday, September 25th. Tickets are gratis; get them in our garment department.
