Will Buy Ball Franchise

Learning that the Fremont franchise in the state ball league could be purchased for \$750, a dozen men were solicited yesterday to put up that amount, which they cheerfully did, and this morning Ray Langford went to Fremont to close a deal transferring the franchise to this city. The price includes the contracts with sixteen players, none of which need be retained if not desired. It is said two of the players can be sold for about \$300, but if they are such good players as to command the attention of managers in other leagues it might be well to hold on to them and thus insure a strong team.

It is the intention to secure subscriptions of at least \$2,500 with which to start the season.

Foot Ball Today.

The initial game of foot ball of the 1913 season will be played this afternoon, the opposing teams being the alumni and the high school. The latter team has been in training for two weeks, and is expected to make a good showing against the more experienced warriors of the gridiron. The line-up will be as follows:

HIGH SCHOOL	ALUMNI
Smith	RE Cunningham
Baker	RT Sandall
Hood	RG Wilson
Ottenstein	C LeDiout
Hupfer	LG Nolan
Vernon	LT Tighe
McWilliams	LE Bird

The Maxwell correspondent of the Brady Vindicator contributes these two items: E. S. Roten threshed out four and a half acres of alfalfa seed and got thirty-five bushels, worth \$10 per bushel. Geo. Longpre thought he would get about six bushels and he threshed seventeen. William Plumer expected six or seven bushels and got twenty-five. W. C. Dolan thought he would get thirty bushels and got fifty-two. Chas. Trimby took the job of cleaning off a piece of ground for the hay, he threshed it for seed and at an expense of about \$135.00, he got eighty bushels of sweet clover seed which he sold for \$800.00.

Hoagland Wins a Round.

The supreme court yesterday granted an alternative writ of mandamus on application of the people of Hoagland; on the new line of the Union Pacific railway from Callaway to Stapleton, directing Judge H. M. Grimes of North Platte to dissolve an injunction now in force forbidding the road to build a sidetrack at Hoagland or show cause October 21 why the injunction should not be dissolved.

This is another move in the fight between the town of Hoagland and the town of Logan for recognition by the company, the two towns being but a short distance apart.

The railroad company has refused to recognize Hoagland as a town and has designated it on their time cards as "mile post 96."
