Saturday the Greek coal heavers at the coal chutes let three empty cars get away from them and take a plunge down the incline; when the cars struck the straight-away track they parted company, each taking a different direction and after rolling over once or twice stopped. The wrecker was at once sent to the trouble and after several hours had the three dongolas back again on the track. The amount of the damage consisted of several twisted iron rods, a dislocated truck or two and several frightened Greeks.

Lincoln County Winners.

The following is a list of the North Platte and Lincoln county winners in the land drawing. Lincoln Highway Celebration.

To the Public:
I desire to call attention to the citizens of North Platte and surrounding country that Friday, October 31st, Hallow'en Day, has been selected by persons interested in the Lincoln Highway, as a day of celebration and rejoicing in anticipation of the early realization of this great project. Nearly all of the cities and towns along the proposed line have made arrangements for some ceremonies and the North Platte Chamber of Commerce have arranged for a bonfire, band concert and public speaking at the court house on that evening.
You are requested to turn out and make this a jollification rather than a formality.
Respectfully,
E. H. EVANS, Mayor.

Ground for the new building of the Mutual Building and Loan Association was broken yesterday, and the work of excavating the basement will be pushed forward as rapidly as possible by Contractor Isdell, of Kearney, who was awarded the contract.
