Friday evening, October the 31st, at 7:30 p. m. a match was touched to a huge mountain of refuse on South Dewey street, between the high school building and the court house, and a few moments thereafter the heavens were lighted up by the blaze, as North Platte's portion of lighting the way of the Lincoln Memorial Highway. North Platte High Loses.

The North Platte high school foot ball eleven returned from Sterling, Col., Saturday morning where they played the school boys of that place Friday. The high altitude, or something else, ger to Grand Island yesterday morning seemed to have its effect on our boys, for when the final time was called the score stood 28 to 0 in favor of the one of the lucky numbers in the land Sterling team. This is the worst set back our team has experienced in a long time, but it should not check them any in keeping up their past good record.
