## Omaha Wins

### Game 47 to 7

The local football team went down to defeat yesterday before the Omaha eleven by the decisive score of 47 to 7. The single touchdown by the local men was made in the first five minutes of play by Ryan, and McWilliams kicked goal. The North Platte boys played a perfectly clean game and were not penalized, while Omaha was penalized a total of fifty-five yards.

After the first touchdown by the North Platte boys the playing was nearly all in their territory. The score was tied in the first quarter and at the end of the first half stood 21 to 7. Omaha aggregated altogether seven touchdowns and five goals. Most of the gains by both teams were made in open field plays and the forward pass was used to a large extent.

With this victory, Omaha lays claim to the state championship and refuses to play any post season games, although several of the fastest teams in the state have asked for them. Among these is Beatrice who played Omaha last year and lost the game under questionable circumstances. Beatrice would like to "get blood" but the Omaha aggregation seems indisposed to give them satisfaction.

### Union Thanksgiving Services.

The Union Thanksgiving services, held yesterday morning at 10 o'clock at the Episcopal church, were well attended and all enjoyed a good program. Rev. C. B. Harman, pastor of the Lutheran church, was the speaker and gave a pleasing half-hour discourse on the subject "Giving Him Thanks." Before the sermon, a song and praise service was held for an hour. Special music was rendered by the Episcopal choir and was especially deserving of mention.
