**Breaks Collar Bone.**  
Peter C. Peterson, one of the janitors at the federal building, is confined to the house with a compound fracture of the collar bone. The injury was sustained about nine o'clock Saturday night when he slipped on the ice-covered alley in the rear of the building and fell, his right shoulder bearing the brunt of the fall. Mr. Peterson is a big man, and when his body came in contact with the ground something was bound to give way.

**Study Club Gives Masquerade**  
The Study Club had a masquerade juvenile party at the beautiful home of Mr. and Mrs. Marshall Scott Friday evening. They had a Christmas tree all electric lighted and Simple Simon, Lovey Mary and the rest of the kids including the Yellow Kid, were there to receive their toys. A nice two course luncheon was served at small decorated tables at which the fancy-dressed boys and girls did ample justice, after which the following toasts were enjoyed. Miss Smith was toastmistress and called on Mrs. Scott to toast "Our Guests," Miss Plummer responded to "Sandwiches a Mystery." Mr. Goodman was asked to pass the "Mixed Pickles," Mrs. Dent served her favorite recipe "Salad, a Question," and Mrs. Crosby "Dessert, a Cold Compress." Dr. Quigley roasted "The Women" and Mr. Tout said pretty things to "Our Hostesses." All voted it a very enjoyable affair and wished the club may return.

### Family Reunion at the Cross Home.

A Christmas family reunion was held at the home of Mr. and Mrs. F. W. Cross, proprietors of the Nebraska House, and for the first time in ten years, the nine children were all at home together. The older children are scattered all the way from Kansas City to Saskatchewan, Alberta, Canada, and the home coming was a great pleasure to the old folks.

The children were all at home for Christmas and all gathered together for a jolly time and a big dinner on Christmas day and in the afternoon, had a family group picture taken. Four of the children are away from home and two of them, Harry and Charles, are married.

Harry, the oldest boy, is farming the old home place in the Moorefield vicinity in this county; Charles, the second boy, is located at Kansas City in the employ of the Atlas Powder company, and had not been home before in four years. Frank is farming in Canada and Margery is attending the normal school at Kearney. The other children are all at home.

Following are the names of the children: Marry M., Charles E., Frank, Margery, Ray, Marian and Muriel, twins, Helen and Percy.

The vital statistics for the year 1912, just issued by the state board of health, show 26,153 births, and 11,254 deaths. In the cause of death organic diseases of the heart led with 907, pneumonia caused the death of 855, apoplexy 572, consumption 340, kidney trouble 556. They were 149 suicides.

An interesting table is given of the marriages and divorces in Nebraska the total being 12,273 marriages and 2,020 divorces, being a little better than one divorce for each six marriages. Logan county showed a standoff, with one marriage and one divorce. Douglas county shows about four marriages to each divorce and Lancaster county shows about the same percentage. Furnas and Thurston counties show that one out of every three matrimonial ventures were dissolved, while Keith county couples take their troubles without grumbling, or if they do the grumbling never reaches the divorce court, the record being thirty-eight marriages to only one divorce in 1912.

The Methodist aid society will meet with Mrs. Marshall Scott, 220 West Second street, Friday afternoon.

### California Woman Seriously Alarmed.

"A short time ago I contracted a severe cold which settled on my lungs and caused me a great deal of annoyance. I would have had coughing spells and my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. I bought a bottle and it relieved my cough the first night, and in a week I was rid of the cold and soreness of my lungs," writes Miss Marie Gerber, Sawtelle, Cal. For sale by all dealers.
