Fremont Watts returned last week from an extended trip through the southern part of Canada where he had been traveling for several months looking over the land. He left North Platte last March and traveled through parts of the United States and arrived in Canada in June. He traveled all over the southern part of the Dominion from Winnipeg to Alberta and has some valuable information in regard to the country. He will remain in the city for some time to "get acquainted with his family" but later may decide to locate in Canada. While there he went on a thirty-day moose hunt out in the woods and had a very exciting time but not much luck so far as game was concerned.

The Elks holiday dancing and card party, which was given Friday evening at their home, was largely attended and all present enjoyed a pleasant evening. About fifty couples attended and many of them were from out of town. A number of the university students, who are spending the holidays in the city, were guests of the club. Music was furnished by Stamp's orchestra. Delightful refreshments were served by the entertainment committee and at a late hour the guests departed for their homes with many expressions of appreciation for the committee on arrangements.

How to Bankrupt the Doctors.

A prominent New York physician says, "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effectual and it is pleasant and safe to take. For sale by all dealers.
