TWENTY-NINTH YEAR.

NORTH PLATTE, NEB., MARCH 10, 1914.

No. 14

Chautauqua will

be here in June.

Robert Smith of Kansas City arrived in the city yesterday morning and stopped here for a short visit with the local men who are interested in the Chautauqua and while here announced that the 1914 North Platte Chautauqua would be held some time in June. Mr. Smith represents the Redpath-Horner bureau and comes directly from headquarters.

Mr. Smith announces that the Chautauqua will be held earlier than usual this year in this part of the state on account of the hot weather. Such a large number of residents leave during the hot summer months that they miss the Chautauqua and most of them are the people who would attend if they were here. At the close of last year's season it was thought that they would be unable to hold here another year as it was poorly attended. A canvass of the town did not show enough people interested to warrant coming again although a large number signed for tickets. Since then the bureau has decided to try it again and they will come earlier.

Mr. Smith stopped here enroute from Brady to Sutherland. He is spending several days visiting a sister at Brady and he will also try to arrange a Chautauqua at Sutherland for this summer. He visited a number of friends in this city. He is an old college friend of Bert M. Reynolds.

Mrs. Teters Granted Divorce.

Mrs. Myrtle Teters was granted a divorce from Jesse Teters Wednesday in the district court on the grounds of extreme cruelty and the husband's being a habitual drunkard. In her petition she states that they were married July 6, 1903, and that she has been ever a faithful wife, but that in the year 1910 the husband began drinking heavily and that he has at times used abusive and vile language in addressing her. She also alleges that he at one time pointed a gun at her and threatened to shoot her and that he treated her very cruelly. She prayed for a divorce and any relief as equity may require.

Another Old Resident Dies

J. C. Hollingsworth, one of the oldest residents of the county, died last evening shortly after 11 o'clock at his home in Hershey, aged 74 years. He had been ill for only about an hour and was thought to be suffering from pleurisy. He suffered a partial stroke of paralysis about a year ago and it is thought that this was partially the cause of his death.

Mr. Hollingsworth came to this county in an early day and is well known to many. He leaves to mourn his demise, besides a host of friends, his wife and nine children, five boys and four girls. One son was killed on the road about six years ago. Two of his children, E. H. Hollingsworth and Mrs. Clarence Dustin, live in this city, one son is in California and the other children live in the Hershey vicinity. The son in California, Hugh B. Hollingsworth was formerly secretary of the Y. M. C. A. in this city for two years. Funeral arrangements have not yet been made as the family is waiting to hear from the son in California.
