You Can Now Buy Original Luther Burbank Seeds in North Platte.

We have secured the exclusive selling rights of Luther Burbank's original seeds for North Platte, having been appointed the special representative of The Luther Burbank Company, San Francisco, sole distributor of Luther Burbank's original productions.

To tell you of the seeming miracles wrought by the hand and brain of Luther Burbank and their history would require many large sized books.

You now have the opportunity of bringing the great Burbank genius right into your own garden. It has always been his desire to share with the world the results of his years of creative effort and the opportunity is now offered you to enjoy the fruits of his labor—to grow the extraordinary flowers that he had been years in creating—to have a garden you and your friends will admire constantly.

No other store in North Platte can sell you original Burbank seeds. The prices are moderate—no more than you would have to pay for seeds of good quality.

The securing of this exclusive right to sell Luther Burbank original seeds is but another indication of the progressive policies of this store to give the unusual at all times. Look for the Burbank seal on every package of seeds you buy. It is your protection. With \$1.00 purchase we will give you a copy of "The Culture of Flowers, Fruit and Vegetables," written by Luther Burbank himself.
