

Automobile Burns: No Explosion.

Mr. Holcombe residing on the Schatz farm five miles south of the city, lost his oakland car Wednesday by fire. He started to this city to do some trading and when he got about a half mile from home he felt the car grow hot under his feet. He jumped out of the car and it was immediately enveloped in flames. The car burned to a junk pile that could never be recognized as an automobile. Luckily there was no explosion. There was evidently a leak in the gas tank and as soon as the flames struck it there was a sound as of the exhaust of a locomotive.

Just how the fire started Mr. Holcombe does not know. He thinks that it was probably started from the exhaust and a leaky gasoline pipe. Once before the exhaust threw fire out and set the prairie afire, and he thinks that it probable shot out in this way gasoline that was leaking from somewhere. He watched it burn from a safe distance. The car was partially covered by insurance, being insured for \$1,000. Mr. Temple went out yesterday to adjust the loss.

Moose Initiate Large Class.

The Local Order of Moose met Wednesday evening at the K. P. hall for their last regular meeting before the closing of the charter, and a class of over thirty candidates was taken into the order. Over two hundred men were present for the meeting and a very jolly evening was enjoyed. C. H. Likens, national director of the order, was present to assist in the work and favored the men with a talk, giving much information regarding the Moose order and for what it stands. He also dealt largely upon the work of the order and the good they are doing.

After the regular work of the order and the initiation of the candidates, the men all went to the new club rooms where they were served with a nice banquet. Caterer C. C. Hupfer had charge of the banquet.

Plans for the future work of the order were also talked and announcement was made that the pool and billiard tables had arrived and that the club rooms would be ready for use in the course of a few days. The next meeting of the club will be held in two weeks, April 1, and by that time the charter will be closed. Up until the charter is closed the initiation fee will remain at \$5.

Myrtle and Vicinity.

Will Bailey was a North Platte visitor Monday. E. R. Svits and F. D. Tamm moved from North Platte to their farm Wednesday. Both families moved to North Platte last fall but the hoeing instinct was so strong that they were glad to return with the spring.

Carl Rabel who purchased the P. C. Peterson place last fall will make extensive improvements this spring. Among other things he will build a new house.

E. H. Svits will also erect a house this spring.

Local and Personal

A number of the friends of Mr. and Mrs. James Dorrman, 508 East Second street, surprised them Wednesday evening by coming in upon them prepared for a jolly evening. The occasion was Mr. Dorrman's forty-ninth birthday anniversary. About thirty couples were present and a delightful evening was enjoyed. The company assembled at the home of A. J. Frazier and went in a body to the Dorrman home. The evening was spent playing cards and with social converse. Mr. Dorrman was the recipient of many mementos of the occasion. At a late hour refreshments were served, after which the company dispersed wishing Mr. Dorrman many happy returns of the day.

The gymnasium classes at the Presbyterian church are making fine headway and considerable interest is being manifested. Recently a lot of new equipment was received here for the gymnasium and it is now well equipped. A ladies' gymnasium class has recently been organized. They met Tuesday evening and had a good work out. A number of the ladies are taking interest in the gym work and the class has the promise of becoming popular. A large number attended at the Tuesday evening meeting and several more have signified their intention of joining.

The local homestead of American Yeomen will hold a shadow social Tuesday evening at the I. O. O. F. hall. Everyone is invited to be present and enjoy a good time. The first part of the evening will be given to a musical program and this will be followed by the selling of the shadows. The shadow social is much like a box social, except that instead of selling the box, the shadow of the lady who owns a box will be thrown on the screen and will be sold to the highest bidder. A large crowd is expected and a fine time is anticipated.

The literary department of the Twentieth century club met Tuesday afternoon with Mrs. Irving VanDoran, 902 West Third street, and enjoyed a profitable meeting. The entertainment of the afternoon consisted of a program of several papers as follows: "Great Universities for Men," Mrs. J. H. Redfield; "Colleges for Women," Mrs. E. N. Buchanan; "Stories of Moving Picture Actors," Mrs. Ralph Garman. This was followed by a general discussion by the ladies and a profitable afternoon was reported.

The household science department of the Twentieth Century Club will meet Monday afternoon, March 23 with Mrs. M. A. Graham, 514 Sycamore street. All the ladies are asked to bring their needlework. A cooking demonstration will be given during the afternoon.

DON'T GIVE UP.

Discouraged Citizens Will Find Comfort in the Experience of a North Platte Man.

Experience is the modern instructor. Profit by the experience of others. It may save your life.

The experience of friends and neighbors.

The testimony of North Platte people. Will bring renewed encouragement. Here is a case in point:

George W. Weinberger, 109 West Ninth St., North Platte, Neb., says: "Some years ago I became afflicted with kidney trouble and suffered from

agonizing pains through my back. I gradually grew worse, became stiff and lame and on account of losing my rest at night, was all run down. My kidneys did not do their work properly. Learning of Doan's Kidney Pills, I procured them from McDonnell & Graves' Drug Store, (now Schiller & Co's.) After I had taken six boxes, I was cured. Prior to using Doan's Kidney Pills, I had to lay off from work for several months, but after taking this remedy only one month, I was able to go back to work.
