**The KITCHEN CABINET**

W HAT if you have been deceived not once but a dozen times? It is much better to be deceived occasionally than to be so distrustful that you can't even enjoy a bright day because you once got caught in a rabbit-trail. —Lloyd.

**PASTEURIZING MILK.**

While there are some objections to pasteurized milk for infants, the advantages of intelligently pasteurized milk where the source of supply is not safe, are very great and the death rate in cities where this milk is sold, has been most wonderfully reduced. The object of this treatment is to kill or render harmless the germs in unclean milk by the application of heat.

**Baked Lemon or Orange**—Bake a lemon or an orange in the oven until soft and eat it hot with or without sugar just before retiring. Skip the evening meal and follow the fruit treatment with a good drink of water. This should be followed up for several nights in succession. This is an excellent remedy for colds.

**Cider Egg Nogg**—To one egg whipped and sweetened slightly with sugar add a glass of cider, sprinkle with grated nutmeg and serve with shaved ice or serve hot.

**Flaxseed Lemonade**—An old-fashioned and effective remedy for cold is this laxative drink. Pour a quart of boiling water over a cupful of flaxseed. Add the juice of two lemons and sugar as required. Let steep in a covered jar for several hours and drink hot, thinned with boiling water if so desired, just before retiring.

**Italian Cure for Malaria**—Slice thin one lemon, rind and all, and place in a saucepan. Over this pour one and a half pints of cold water and cook down to half a pint, then strain through a coarse cloth, so that some of the pulp goes through. Let stand until cool and drink fasting. This should be kept up for several days.

**Lemon for Headache**—The juice of a large lemon squeezed into a small cup of strong black coffee with no sugar will often prevent or cure a headache.

Using lemon with tea is not a fad or fancy, but a wise combination as the citric acid of the lemon offsets the tannic acid in the tea, rendering it refreshing and wholesome.

The lemon is valuable for purifying the blood and toning the system. It acts directly on the liver, cools the blood and some physicians claim it drives away typhoid germs.

Next to the citrus fruits the pineapple is found to be most beneficial in its effects on the human system. It is rich in mineral salts and contains an active substance which has the power of digesting proteids.

**A CHAPTER ON NUTS.**

The housewives are certainly falling in line with the progressive movement in regard to the menus using nuts, as our reports tell us of the thousands of bushels of increase each year in the United States' consumption.

The black walnut heads the list in nutritive value, is rich in oil and liked by many, although its strong flavor is not liked at first.

In any locality the nut that is there found in plenty should be used as a large part of the diet. The hickory nut is a most delicately flavored nut and most nutritious. When very dry if they are dipped in boiling water and allowed to stand a while before cracking the meats will come out in much better shape.

**Walnut Leaf**—Take a pint of dry bread crumbs, one and a half cupfuls of chopped nuts (do not grind them, as it makes them oily and really spoils the flavor if not used at once), season well with salt, add a bit of sage, two tablespoonfuls of butter, one beaten egg and sufficient boiling water to moisten. Form into a long loaf and bake in a granite pan.

**Peanut Meatloaf**—Mix well a cupful of cornstarch in two cupfuls of tomato juice, add two cupfuls of peanut butter and two tablespoonfuls of salt. Stir for five minutes, then steam for five hours.

**Stuffed Potatoes**—Bake nice, smooth, even-sized potatoes, remove the potato and season well with salt, pepper and butter and a generous portion of ground or chopped nuts. Refill the shells heat and serve at once.

**Peanut Soup**—Soak a pint and a half of shelled peanuts over night in two quarts of water. In the morning add three quarts of water, a hay leaf, a piece of celery, a slice of onion and a blade of mace. Cook five hours very slowly, put through a sieve, add seasonings and a cupful of cream and serve very hot.

**Fruit Punch**—Take three cupfuls each of sugar and water and boil together five minutes. Cool. Add a small pineapple, grated, to two cupfuls of water, and boil 20 minutes. Strain and add the juice of six oranges and four lemons a cupful of fresh tea and sugar sirup, a cupful of strawberry or any fruit juice, add water to make a gallon. Serve ice cold.

**Florida's Valuable Springs.**  
The great development of underground drainage in many parts of Florida has given rise to many springs at places where streams emerge from subterranean channels. The number of such springs is very great. In size they vary from mere seeps to discharges which give rise to creeks and rivers large enough to float good-sized passenger and freight steamers. The best-known and largest is the Silver Spring, in Marion county, which gives rise to a large stream of remarkable

**Good Cheer Aids Digestion of Food**

**Dyspeptics Can Make the Rest of the Family Happy by Using a Laxative-Tonic.**

MAJ. S. MARTIN

The temper of the family and the good cheer around the table depend so much on the good digestion of each individual present that the experiences of some former dyspeptics who overcame their trouble should be of interest to those now suffering in this way.

The best advice one can give—but it is advice that is seldom heeded—is to eat slowly and masticate each mouthful carefully. However, if slow eating and careful mastication fail the next aid is one close to nature, Dr. Caldwell's Syrup Pepsin. This remedy is an excellent digestant, and in addition to helping in the digestion of the food, acts gently on the liver and bowels, ridding them of the accumulation of waste that should long ago have been passed off. It is safe, reliable, pleasant-tasting, and results are guaranteed.

Maj. S. Martin, of Joplin, Mo., now 77, thinks Dr. Caldwell's Syrup Pepsin has helped him to a longer and happier life. He has not felt so good in years as he has since taking this excellent medicine, and in spite of his 77 years he says he feels like a boy.

It is the ideal remedy for indigestion, no matter how severe; constipation, no matter how chronic, biliousness, headaches, gas on the stomach, drowsiness after eating and similar annoyances.

You can obtain Dr. Caldwell's Syrup Pepsin at any drug store for fifty cents or one dollar, the latter size being bought by heads of families already familiar with its merits. Results are always guaranteed or money will be refunded.

When you use Syrup Pepsin you will see the fallacy of chewing mints and tablets or of taking cathartics, salts, pills and similar drastic medicines. Unlike these, Syrup Pepsin does not lose its good effect, and by automatically training the stomach and bowel muscles to do their work, soon restores these organs to normal.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 203 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

**PIMPLES ALL OVER FACE**

1413 E. Genesee Ave., Saginaw, Mich.—"Cuticura Soap and Ointment cured me of a very bad disease of the face without leaving a scar. Pimples broke out all over my face, red and large. They festered and came to a head. They itched and burned and caused me to scratch them and make sores. They said they were seed warts. At night I was restless from itching. When the barber would shave me my face would bleed terribly. Then scabs would form afterwards, then they would drop off and the so-called seed warts would come back again. They were on my face for about nine months and the trouble caused disfigurement while it lasted.

"One day I read in the paper of the Cuticura Soap and Ointment. I received a free sample of Cuticura Soap and Ointment and it was so much value to me that I bought a cake of Cuticura Soap and a box of Cuticura Ointment at the drug store. I used both according to directions. In about ten days my face began to heal up. My face is now clear of the warts and not a scar is left." (Signed) LeRoy C. O'Brien, May 12, 1913.

**Business Proposition.**  
A boy who had done something to incur the wrath of his mother and then had taken to his heels was hotly pursued for some distance by her. Finding it was useless to continue the pursuit, and almost beside herself with rage, the old lady shouted at the top of her voice: "I'll give anybody a dime to catch that boy!" The boy instantly stopped and, turning round, shouted in reply: "Give me the dime and I'll come back."
