Former Resident Found Dead in Idaho.

Nick Kirsch, a former resident of this city, was found dead Saturday evening in the railroad yards at Montpelier, Idaho. Just how he came to his death is not known as his body showed no marks of any bruise or cut, and it is the opinion that he died of heart trouble.

Mr. Kirsch was a resident of this city for a number of years and was employed in the local yards as switchman and was later put on as freight brakeman. He was transferred to the seventh district about five years ago. He married Miss Nell Ackerman, whose parents live in the country northwest of this city, and he leaves a wife, father and mother and a host of friends to mourn his death. He was still a member of the local order of trainmen at the time of his death.

When found in the yards at Montpelier he was lying face downward beside the tracks as though he had fallen. The freight on which he was running had stopped at that place to meet a passenger train and when the passenger pulled out the other brakeman waited for Kirsch to let the train out. When he failed to do this he walked down the side of the train and found the body.

Jack Kirsch, of Grand Island, uncle to the deceased, arrived in the city Sunday to meet the body which will be shipped to the home of the deceased's parents in Missouri. The body was expected yesterday morning but did not arrive until last night.

A. F. Klaas, contractor and builder residing in the Fourth ward, had one of his eyes put out last week while at work on a building. He and one of his carpenters were working on a casing and the carpenter was laying it off with the dividers. Just as he came to the end of the casing Mr. Klaas stopped to sight up the edge of the board to see if it was straight and the dividers in the other man's hand slipped and one of the points pierced the eyeball of Mr. Klaas' right eye and let the water out. The point went through the eyelid and into the ball.

H. S. Entertainment Well Attended.

The Cadet play and glee club entertainment which was given Friday evening at the Keith theatre was largely attended and all who were present pronounced it a fine entertainment. The concert given by the glee club was very good. Major White pleased the audience in his reading and was heartily encored. The dialogue of Major White and Robert Loudon was also well received. The one-act comedy given by the cadets was humorous and the amateur carried their parts well. Mrs. Sarah Kelly carried her part very well. Principal G. P. McGrew coached the play.

Many Outsiders

Attend Trap Shoot

A number of men from outside towns are attending the shoot which is being held at the local gun club grounds, and some good scores were made yesterday. On account of the high wind the men did not show up as well as they would have done otherwise and the attendance was a little small, but many more are expected to attend today. L. A. Gates of Columbus, and E. A. Varner of Adams tied for first place, shooting 177 each out of a possible 200.

The events were twenty-bird events and ten events were shot. A number of professional shooters attended and took part in the shoot. Bert Manning of Hastings was clerk of the shoot. J. S. Day of Dallas, Texas, was high man for the professionals, shooting 178. The other professionals scored as follows: Delf Gross of Kansas City, 174; E. O. O'Brien of Florence, Kans., 166; G. L. Carter of Lincoln 150; Bert Manning of Hastings, 134.

The prize-winners in the amateur class were: Gates and Varner first, score 177; A. S. Strickle of Paxton, second, 175; F. Caldwell of Concordia, Kans., third, 165; Dan Bray of Columbus fourth, 164. Other good scores were: Roy Breder of Ansley, 156 and J. G. Stafford of Paxton, 156.

A match baseball game was played Sunday afternoon at the athletic park between the Elks and the Moose teams, resulting in a score of 6 to 0 in favor of the Elks. Only a five inning game was played and it was witnessed by only a small crowd. None of the Moose players got past second base and only once did one of them get to second, that time on a walk. Jones and Cochran were batteries for the Elks and Ford, Peterson and McNeish for the Moose. The Elks are in good shape for the game to-morrow afternoon and the outlook for a fast game is promising.

Mrs. Orra DeFord, who was operated upon a short time ago at the P. & S. hospital for appendicitis, is able to be out on the street again.
