## North Platte Gets 1915 State Shoot

North Platte again came into prominence this week when the Nebraska State Sportsman's association, which held a tournament at Columbus this week, selected this city as the place for holding the 1915 shoot. These annual tournaments are held in May, and are attended by from 100 to 150 trap shooters. The tournament has twice been held in North Platte, and each time the visitors were so cordially treated and had such a splendid time, that they readily consented to having this city named as the place for the 1915 tournament.

Not only was North Platte thus recognized, but in the election of officers two of our residents were selected, M. Keith Neville being elected president of the association and John C. Den, secretary and treasurer. Both these men are "live wires" among the sportsmen of the state, and their election was secured without much effort. The trap shooters may be assured a hearty reception and a good time in North Platte in May, 1915.
