and precious stones in any mounting is our specialty. We carry a large stock of unmounted stones and will make to your order any mounting design after your own ideas. This insures having something individual and at very little more cost. It will pay you to consult us before making any purchase on odd mountings and diamonds.

We do our own diamond mounting in our own shop.

Oscar Sandall Weds Miss Tillie Huxoll

A quiet wedding was solemnized at 8.30 Wednesday evening when Miss Tillie Huxoll was united in marriage to Oscar Sandall at the home of the bride's sister, Mrs. Harry York at 502 South Pine street. Only the immediate relatives of the two young people were present. The ceremony was performed by Rev. Martin Jung of Palmer, Neb. Mrs. Jung is a sister to the bride.

The master's degree was conferred. The couple entered the room unattended and took their places and the ring ceremony was used. The bride was gowned in a white embroidered dress and carried a bouquet of bride's roses. The rooms were tastefully decorated with foliage, cut flowers and potted plants.

The bride has been a resident of this city all her life and was at one time employed at this office. She is the daughter of Mrs. Caroline Telitz, residing in the Fourth ward and is an admirable young lady. The groom has also lived in this city the greater part of his life and is a member of the Lierk-Sandall grocery firm. He is a man respected by all who know him and both young people have a host of friends in this city who join in wishing them happiness.

Mr. and Mrs. Sandall eluded the charivari bunch and left on the 1 o'clock train for the west for a wedding trip of two weeks. They went to Hershey in an automobile and took the train there. They will go first to Portland, Oregon, then to Seattle and on to Everett, Wash., where they will visit relatives of the groom. They expect to return by way of Los Angeles and will make home their in this city.

Harry Smith Accepts.

The chairman of the Playground Association received a telegram from Harry Smith yesterday definitely accepting the position of director of the city's summer playground. Owing to the fact that the schools at Neganue do not close till late and he will not be able to be here till about the 19th.

Mr. Smith's record in this work is excellent and are exceeding fortunate in procuring his services. The boys and girls whom he trained in Douglas Park, Chicago carried off a number of honors in the Park meets. Our playground work is so decidedly in its infancy that Mr. Smith will necessarily be somewhat handicapped by the crudeness of our preparations, but we feel sure that he will be equal to the task of giving us some idea of the tremendous value of the playground movement.

Samuel M. Souder Surprises Friends.

Samuel M. Souder, deputy county treasurer, and Miss Eva Spickerman of this city were united in marriage Wednesday morning at 6 o'clock at the Baptist parsonage, Rev. J. L. Barton officiating. The wedding was a quiet affair and came as a surprise to most of the friends of the two young people. Eli Hansen and Miss Mildred Burgier attended the couple.

The bride has been a resident of this city for several years and is well known to many here. She is a graduate of the Chicago conservatory of music and has been teaching here. The groom is a son of John Souder of the Moorefield vicinity and has been in the county treasurer's office for four years.

Immediately after the ceremony the couple left for the Moorefield vicinity for a short visit and to attend the wedding of Ira J. Sowie and Miss Susan Souder, sister to the groom, which occurred at the home of the bride's parents Wednesday. Two sisters and one brother in the family were married within two days. Miss Louise Souder was married the preceding day to LeRoy DeLate.

The Scotts Bluffs Herald had on account of a new law firm that was recently negotiated at that place when Fred A. Wright, a prominent attorney of that city, and J. G. Mothersaid formed a partnership under the firm name of Wright & Mothersaid. Mr. Mothersaid formerly practiced law in this city with the firm of Wilcox & Halligan, but left about a year ago for Scotts Bluffs where he was in the employ of Mr. Wright.

E. R. Plummer, of the Schatz hardware store has a curiosity on display at the store. It is a large cucumber preserved in a small necked bottle. The cucumber was put in the bottle by Mr. Plummer about thirty years ago. He placed the neck of the bottle around a small cucumber and allowed it to grow in the bottle. It took several trials before he succeeded in accomplishing the feat.

SEE the International fifth wheel (patented applied for) on Weber and Columbus wagons. This one feature makes these two wagons stand out above all the rest as the best and cheapest for a farmer to buy. The fifth wheel prevents the pitching and pulling up of the front bolster, and it does away with broken king pins and bent circle irons. It doubles the bearing surface of the bolster on the sandboard; it increases the life of the wagon; distributes strains more evenly, and therefore makes the work of hauling easier on the horses.

With all these points to recommend it, the International fifth wheel is worth a trip to town to see. Call on the IHC local dealer who handles Weber or Columbus wagons and ask him to show you the International fifth wheel. You cannot see it on any other wagon. If you do not know where to go, drop us a line and we will give you the name of the nearest dealer.
