City and County News

The Children's Day exercises will be held at the Baptist church next Sunday morning.

Miss Ida Harvey returned Sunday to her home in Sutherland after spending a week in this city attending the institute.

During the past week eight men have been added to the car repair force, bringing the number of employees in that department almost up to normal.

Mr. and Mrs. W. P. Snyder and family returned Saturday morning from Lincoln where they spent several days visiting relatives and friends.

Several hundred feet of track in the vicinity of Elm Creek was washed out Saturday night, delaying trains No. 3 and No. 15 six or seven hours. While the track was being repaired the lighter class engines were used on all trains.

Mrs. Saml. Gooses gave the second of a series of three lectures Friday afternoon complimentary to her daughter, Mrs. Fred Elliott, of Omaha. About a score of ladies were present and passed a delightful afternoon.

Wm. E. Toole filed Friday afternoon with the county treasurer as a candidate for nomination for county superintendent. Mr. Toole has been teaching this past year in the Brady schools and he is well known over the county.

Foreman McEvoy, of the car repair department, was instructed last week to rush work on all "bed cracker" cars and get them in shape for service. The Union Pacific anticipates a heavy demand for cars to move the big crop Nebraska is growing this season.

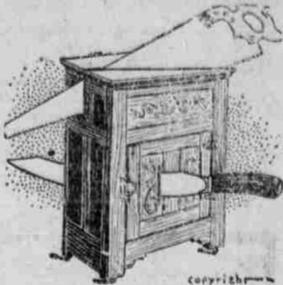

Children's Day was fittingly observed in many of the churches Sunday. Nice programs were given at the Christian, Presbyterian and Methodist churches and good audiences attended all places. At the Methodist church six children were baptized at the morning services.

A campaign is on foot among the business men of the country to reduce the postage rate for letters to one cent and a number of the manufacturing houses are now pushing the proposition hard. Letters sent out from some firms are accompanied with a red sticker announcing that one-half of the postage we pay is a tax and they ask that this be dispensed with.

The two cases which are being prosecuted by Knox and Walter were up for hearing Saturday morning in the county court. The case against George Wickham was continued for thirty days and judgment was allowed in the case of Alex Brown on default. The plaintiffs are suing for the collection of money alleged to be due them for merchandise.

The students and faculty of the Junior normal enjoyed a picnic excursion Friday afternoon to the state farm and the canyons near there. They left here about 3 o'clock in the afternoon in large wagons and took a picnic lunch with them which they enjoyed in the canyons. The remained until after sundown and had the pleasurable experience that generally accompanies picnics of getting caught in the heavy rain Friday evening.

Willow Island Loses 2 To 1

North Platte defeated the Willow Island team Sunday afternoon by a score of 2 to 1 in a closely fought and exciting game. The game was characterized by few errors and good playing all around. The first inning tallied no hits and no runs. In the second inning Willow Island scored one, McKee getting to third on an error of Peters in right field and scoring on Kennedy's two base hit. In the fourth inning A. Sandall walked stole second and went to third on a little hit by Bullard. Pass then came to bat and with a one base hit scored Sandall and Bullard made a sensational run home from first base on Pass's single. Halligan then got a one base hit, but the inning closed when Jones fanned and Stack filed out. That ended the scoring and the game was tight from then on. Willow Island made a total of two errors and two hits. North Platte totaled seven errors and six hits off Cooke, the man who pitched in the Cozad game. Jones fanned eight men and Cooke seven. Jones walked and Cooke seven. Jones walked A. Sandall twice. The batteries were Jones and Pass, Cooke and Craig; umpire Swope.

State Engineer Visits City.

State Engineer D. D. Price and Assistant Engineer Masten both of Lincoln, arrived in the city Saturday and visited here with County Surveyor Cochran, the county commissioners and other friends. They are enroute to Scotts Bluffs on an inspection tour of irrigation ditches and they are making the trip by automobile.

They visited the county commissioners Saturday and Mr. Price commended them highly on the condition of the roads in Lincoln county which he declares are among the best in the state. A good roads campaign has been taken up among the farmers as a result of the work of the Chamber of Commerce and many of the main roads are being thoroughly dragged after each rain which keeps them in the best of condition. The road between here and the experimental station, which is usually so bad, was especially mentioned by the visitors.

Miss Hendy Given "Shower."

Miss Lillian Hendy, who will soon become the bride of M. C. Westfall, was tendered a pre-nuptial shower Saturday afternoon by Miss Grace Mooney and Mrs. Fred Waltemath at the home of the former. Forty-five guests were present, and the principal entertaining features of the afternoon were toasts to the bride written in rhyme by the guests and read by Miss Keliher. Miss Hendy was the recipient of many ornamental and practical gifts. Refreshments were served at the close of the pleasantly spent afternoon.

Mrs. Glenn Nye Shoots Self in Breast

Mrs. Glenn Nye of this city shot herself in the left breast Sunday morning about ten o'clock with a .22 calibre revolver, inflicting a wound that may prove very serious. She is now confined to the P. & S. hospital and is in a very serious condition. She is so weak that the doctors cannot probe for the bullet, which they think is lodged in her lung.

Mrs. Nigh and her husband quarrelled Sunday morning about whether or no Mr. Nigh was to go fishing with a party of men. He had arranged a fishing trip and when the other men came Sunday morning to get him she refused to let him go, asking that he accompany her to church. He insisted on going and as he left the yard she ran back into the house.

When the party of men were about fifty yards from the house she ran out into the yard with a revolver and fired two shots at herself. The first took no effect, but the second struck her in the left breast.

The men rushed back and she was lying on the ground apparently unconscious. Other help was summoned and before a doctor could arrive she was in a serious condition.

She was taken into the house and as soon as the doctor arrived she was removed to the hospital. The gun had been loaded with all the chambers full and only two shots had been fired.

Mrs. Nigh bled profusely inwardly Sunday, but yesterday she was reported slightly improved. Dr. Kerr is attending her and he hopes to be able to remove the bullet soon. She is a member of the Yeoman lodge and members of the lodge are helping take care of her.

An old soldier by name of John S. Soule was taken through this city Thursday evening by Officer Wiedman. He was enroute from the veterans' home in Napa County, Calif., to the National home in Dayton, Ohio. He had on his person \$155 in gold and in the high altitude he lost his reason and the company was obliged to take care of him until he reached his destination. He was a member of Company H, 73rd infantry heavy artillery, of Ohio in the Civil war.

Several business men of the city have reported a short change artist in the city. He was working this place the latter part of last week and pulled off his tricks on several houses. Some of the people thought it was a mistake and did not report it to the officers, but it was finally noticed and before the officers could apprehend him he had left the city. His stunt was to buy some small article and ask for change for a big bill and then hand the party a small bill all folded up. He was described as a man of medium build, smooth shaven and rather good-looking. He is about twenty-five years of age, dark complexioned and was dressed in a dark suit and dark hat.

"You should Bibble" let "Schatz Worry."

Robert Isdell left Saturday for his home in Kearney after completing all transactions in connection with the building of the new Building & Loan building. The word on that building is a good recommendation to Mr. Isdell and the owners of the building were well pleased with it. Full settlement was made within two days after the completion of the work.
