The ladies' aid society of the Methodist church will be entertained Thursday afternoon at the home of Mrs. F. D. Mecomber, 208 West Third street.

Wm. Adair is continuing to improve at the North Platte general hospital. He will not be able to sit up for some time but his injuries are rapidly improving.

There is no let up to the July Sale Specials in millinery at the Wilcox Department Store. Now that means just what it expresses, that the prices during July will be exceptionally low.

Misses Cree Diener, Kathleen Flynn, Marie Bowen, LaVaughn Carroll and Gertrude Rebbausen attended the ball game at Sutherland Sunday between the Union Pacific shop team and the Sutherland team.

This office has received a card announcing the marriage, at Everett, Wash., of Mable Lulu Scanlon to C. Harold Linde on Wednesday of last week. The bride is the daughter of Mr. and Mrs. J. B. Scanlon, former residents of North Platte, Mr. Scanlon holding the position of station agent.

Among the farmers in town Saturday were W. S. Ross of Myrtle and Cy Fox of Garfield. Mr. Ross said that not since 1891 have crops in the north part of the county looked so well. Mr. Fox went a little further and said they were the best they had ever been. Mr. Fox said, and winter wheat will be ready for the binder the latter part of next week.

Miss Kathleen Flynn visited over Sunday with friends in Sutherland.

Frank Spistel, of the Huffman cigar store, spent Sunday visiting friends in Kearney.

The Saturday afternoon bridge club was entertained last week by Mrs. D. T. Quigley.

H. G. Knowles, pastor of the Christian church, left yesterday for Lincoln to spend a few days visiting and looking after business affairs.

Misses Aileen and Edith Gantt returned Sunday from Boulder, Colo., where they attended the national convention of the Chi Omega sorority.

W. N. Beatty, representative of the Union Pacific railroad company in the recent action against the county, arrived in the city Saturday to look after business matters.

Miss Beulah Buckley, who spent several months in North Platte a year or so ago, was married at Stromsburg, Saturday to J. E. Withrow, of Kalama, Wash. The wedding was an elaborate one.

Ralph Allison, clerk in the United States land office, will take a two weeks vacation beginning next week. He will attend the Elks' convention in Denver and will also visit relatives and friends in western points.

Former Manager Cummings, of the Norfolk ball team of the state league, has written here offering to bring that team here to play the remainder of the season. No, thanks, we have an amateur team now that is not slow, and if we want to pay out money for ball players, lets give it to the home players.

Former Resident Dies in Paris Sunday

A cablegram received by Mrs. A. F. Streitz Sunday night announced the death of her brother, Alex Stewart, in Paris Sunday morning. Mr. Stewart had been in poor health for the past year with heart and kidney trouble, but lately was improved and to make further progress to full recovery was advised by physicians to take a trip to Europe and remain for some time at certain springs in Germany. Anticipating much benefit from this trip, Mr. Stewart and wife and daughter sailed from New York June 16th, little realizing that a few days after landing on foreign shores the summons would come.

Having lived in North Platte over twenty years, Mr. Stewart was well and favorably known to all our older residents, and while it was known that his physical condition was critical, the news of his death was as unexpected as it was regrettable. North Platte felt proud over the ascendancy of Mr. Stewart in railway circles; from an apprentice boy in the local shops to the superintendency of motive power and equipment of one of the largest railway systems in the country, is an advancement that comes to but one in many, many thousands—and his success was fairly and meritoriously won. In every position he held he was popular with the men under him; he recognized their rights, he treated them fairly and thus won their loyalty to him and the company which he represented.

Upon news of the death, the Southern System cabled its representative in Paris to render all possible assistance to the bereaved wife and daughter. It is expected that the remains will reach Washington Sunday, and Mrs. Streitz and Mrs. Stewart's mother expect to leave Wednesday for that city.

Alexander Stewart was born at Springfield, Ills; Feb. 22nd, 1868. As a small child he came with his parents to North Platte in 1870. He served his apprenticeship in the machine shops of the U. P. Rail Road in this city. Possessed of considerable mechanical ability he rapidly advanced, being successively foreman of shops at Sidney, Evanston, Larimie, North Platte and Assistant Supt of Motive Power at Cheyenne, from which place he went to Knoxville, Tenn. in 1902, to become Supt of Motive Power for the northern district of the Southern Rail Road. Then advanced to Birmingham on the southern district and became superintendent of motive power and equipment for the entire Southern System with headquarters at Washington, D. C. in 1904, which position he held at the time of his death. In 1889 he was united in marriage to Miss Mamie Mitchell, of Lexington, Neb. To mourn his loss he leaves his wife, his daughter Eleanor and his sister Mrs. A. F. Streitz of this city.

Discuss Building Plans.

At the close of the morning service at the Methodist church the proposed plans for the building of an addition on the building were put before the members for discussion and suggestion of changes. The improvements called for in the plan, will cost about twelve thousand dollars and will be a big improvement in the church property.

The matter has already been taken before the different organizations of the church and they have approved of the plans as they stand. However, nothing definite was done at the meeting Sunday morning. The plans were thoroughly discussed and action was deferred until they find out more definitely if the church as a whole wants to build.

At the close of the evening services the regular quarterly conference was held. Dr. Hammond was to have been present but he was unable to do so on account of illness. Rev. Raymond Rush, the conference evangelist, was present and gave a nice address and remained for the conference. Only the routine business was transacted at the conference.

Notice.

For the accommodation of patients in and out of the city, I have opened a hospital for the treatment of medical, surgical and confinement cases. This hospital will be known as the "Nurse Brown Memorial"

Democrats Hold Pow-Wow

The democratic central committee held a star chamber session in the city Friday evening in the office of Muloon & Gibbs. Just what transpired has not been disclosed, but they claim they were not sorting plums—merely getting ready for their campaign. Col. Bill Beatty with all his enthusiasm was present and it is reported that he took an active part in the proceedings. They admit having appointed a committee of five picked men to look over matters and decide who shall be who, whether or no, and get the election slate filled up to its capacity.

Mr. Day, of Fremont, representing the Nebraska State Building & Loan Association, arrived in the city yesterday morning to transact business. He is appraiser and inspector of loans for that company and visited here at the office of Bratt & Goodman.

Local and Personal

Miss Vivien Hess, of Wyoming, arrived in the city last week for a visit at the home of Mr. and Mrs. Neal Turpie. She is a cousin to Mrs. Turpie.

The little son of Mr. and Mrs. Glenn Scott underwent a minor operation Friday in the office of Dr. J. S. Twinem. The operation was performed by Drs. Twinem and Richardson.

United States Marshal Simmons, of Kearney, was in the city Friday and Saturday on business. He was called here to look after Frank Bowyer who was arrested for sending obscene literature through the mails.

Mr. and Mrs. Frank Barber and family left Friday in their automobile for Lewellen where they will spend some visiting relatives and friends. From there they will go into Wyoming and they will spend the greater part of the summer on an outing in that state.

C. F. Tracy has been appointed local agent for Marshal Bros. Nurseries of Arlington, Neb., established in 1887, having 300 acres devoted to the business, 80 of which is in fruit. Their long experience gives patrons the benefit of getting the kind of stock best suited to this soil and climate. Mr. Tracy will look after the territory between Hershey and Brady Island and solicit orders for spring delivery of 1915. Address 914 West 4th St. Phone Red 344. North Platte, Nebraska.

The meeting of the North Platte Cemetery Association at the library, Wednesday evening, July 1st, was called for the purpose of giving the stockholder an opportunity to learn the facts concerning the affairs of the association and to help plan for the future of it. Every lot owner is a stockholder and ought to be sufficiently interested in this matter to attend the meeting and thereby show a desire to co-operate with the officers in improving the cemetery.

A new fire hose was placed in the lower hall of the court house Saturday for protection by fire. The court house was piped for fire protection some time ago and the hose arrived only recently. Undoubtedly this is a big improvement over running the risk of having to put out a fire with buckets, but how much better a new modern, fire proof building would be.

Who Got the Worst of It?

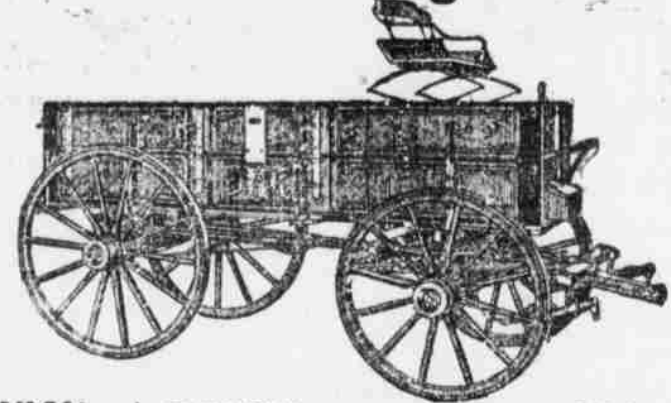

A man once had 75 cents and wanted a dollar. So he pawned his 75 cents for half a dollar, and then sold the ticket to a friend for 50 cents. He now had his dollar, the pawnbroker had the 75 cents and the friend had the ticket. Who got the worst of the deal?

After you have solved this out to your satisfaction, we want to remind you that if you wish to avoid getting the worst of it, and want to be dead sure of getting the best of it, when comes to buying your Lumber and Building Material, you'll find our yard about the safest place to tie up to in these parts.

It will only take two minutes of your time to prove this.

The Only Fifth Wheel Farm Wagons on the Market

The International fifth wheel (patent applied for) is worth a trip to town to see. Because it prevents the pulling up or pitching of the front bolster, it is one of the best improvements ever put on the farm wagon. It means no more bent and broken king pins—no more bent and broken circle irons—longer life for the wagon, and easier work for the horses. See the International fifth wheel on Weber and Columbus wagons.

If you will write to us, we will send you catalogues and information about this and other improvements on farm wagons and will tell you where you may see the wagons.
