

The North Platte Semi-Weekly Tribune.

TWENTY-NINTH YEAR.

NORTH PLATTE, NEB., JULY 3, 1914.

No. 47

Local and Personal

Engineer E. E. Moody leaves today for a visit with friends in Laramie.

Everett Moon has sold the Gothenburg Independent to Rev. A. F. Howell, who took possession July 1st.

Train No. 16 will stop at Maxwell and Brady tomorrow to accommodate passengers desiring to go to Gothenburg.

Mrs. J. S. Simms was able to leave the North Platte General hospital yesterday and return to her home.

Mrs. Lloyd left the city yesterday for Ogalalla where she expects to visit for several days with relatives and friends.

Mrs. L. W. Walker entertained a score of ladies yesterday afternoon at 500 in favor of her sister, Mr. Donald Goodwell.

Mrs. Frank McEvoy and son will leave the first of next week for Denver to spend some time visiting relatives and friends.

Mrs. W. H. McDonald entertained at cards Wednesday afternoon complimentary to her daughter Janet. A dozen young ladies were present.

Christian Science Service Sunday 11:00 a. m. Subject "God." Sunday school 12 m. Wednesday Evening meeting 8 o'clock, Building & Loan building, Room 25.

Mrs. Ogier left yesterday morning for Hastings where she will attend the graduation of her daughter, Miss Grace, who graduates this year from Hastings college.

The Mothers' Club will meet Monday afternoon at the school of music. The feature of the afternoon will be a program of reading and music by the children.

Gothenburg expects at least 5,000 visitors at its celebration tomorrow. If other towns send delegations proportionate to North Platte the visitors will be greater than that number.

A civil suit entitled Eymann brothers vs. R. L. Dolson was filed yesterday in the county court. The suit is for the collection of \$28.44 alleged to be due the plaintiffs from the defendant for merchandise.

Miss Mildred Barber, of Omaha, will arrive in the city tomorrow and will be guest at the home of Dr. and Mrs. O. Cressler. Miss Barber will sing at the Mothers' Club Monday afternoon.

The Episcopal guild will hold a musicale at the Field's residence on the evening of July 10th. Besides the usual program, refreshments consisting of ice cream and cake will be served, all for the sum of 25 cents.

The ladies' bible class of the Presbyterian church will meet this afternoon with Mrs. Lena Salisbury, at her home 607 West Fifth street for a business meeting. All members are urged to be present as there is business of importance to come before the meeting.

Fire broke out last night at 11 o'clock in the kitchen of the Union Pacific hotel, but little damage was done. The department was called and had it under control before it spread around the room. It started presumably from some fat in the oven of one of the ranges and there was more smoke than fire.

M. D. French, consulting engineer for the North Platte electric company, left the first of the week for points in Ohio and for New York City on business for the company. He left very unexpectedly upon a call by wire to meet Mr. Todd. He is to look after the purchase of some more new machinery for the plant here and he expects to be gone about two weeks. He will also inspect some of the machinery that was ordered some time ago to test it out and superintend the loading for shipment here. Some of the machinery will be shipped here in the course of a short time.

At the annual school meeting in the O'Fallons district, Monday, it was voted to expend \$11,000 or such part of that sum as should be necessary in the erection of a new school building. Hollow tile and stucco or some material of a permanent nature will likely be used in making the building, which is to be one story with four rooms and a basement of dimensions sufficient for general use. The new building is to be modern and one of the best to be found in any rural district in Western Nebraska.—Sutherland Free Lance.

Solicit Funds for Local Ball Team

A committee appointed to canvass the city for subscriptions for the support of baseball has been quite busy and Manager Robinson reports that they have already raised about \$270 and that they have not been over but one-half of the city. The boys have been playing some good ball, but Manager Robinson hopes to strengthen the team by the addition of some new players so that they can play oftener.

Hugh McClure, who pitched for the independent team last year when they won from Kearney and Columbus, has been added to the pitching force and he will report here today and be in the game at Gothenburg tomorrow. He is sure some pitcher and will be a good addition to the team. He was instructor in manual training at Cedar Rapids, Ia. last year and he has been trying out this season with the Kearney state league team.

Quite a number of games are scheduled for the summer. A game has been requested from the Hershey Giants for Wednesday, but as yet they have not promised to play. Scheduled games are Ogalalla July 12th, Maywood July 19th, Willow Island July 26th. Elm Creek has asked for a game and they have been offered their choice of playing the first Sunday in August or July 15th, a week day. Sidney has also asked for a game but no date has been set. They will probably play a two game series if they come as it will put the local management to considerable expense to get them down here.

Pat Loneragan has offered the boys a percentage of the receipts for two evenings to apply towards their baseball fund if they will help boost and sell tickets. Nothing definite has yet been done but they expect to take some action soon.

Controversy Over Road No. 28.

The county commissioners sat all day yesterday to hear a complaint on the Howard road, road No. 28. The road is located on Garfield Table and has been under dispute for many years. It was established about twenty-eight years ago and at the time it was thought to be on the section line. However recent surveys have proven that it is about twenty rods off the line.

Many civil cases have been the result of the road for many years past. County Surveyor Cochran was called out there this spring to establish the road, and he made a survey and showed that the road was far off the line. The civil suits and contentions had arisen over the fact that the road as it stood cut out several acres of land from some farms while others had several acres added to them.

A petition was presented to the county commissioners by C. P. Howard and others asking that the road be put on the section line and between forty and fifty witnesses were called. The case lasted nearly all day and the commissioners took the case under consideration and later decided to have the road placed where it belongs.

T. F. Watts, late of this city who has been assistant to the Union Pacific special agent at Grand Island, has been promoted to the position of special agent at that point. The Daily Independent says Mr. Watts has "shown marked energy and ability in the discharge of his duties."

The Sunday schools classes of Misses Lelia Scott and Jennie Lincoln of the Presbyterian church were entertained Wednesday afternoon at an indoor picnic in the basement of the church. The afternoon was spent with games and contests and refreshments of ice cream and cake were served.

Want City to Take Over the Cemetery

Forty or fifty persons responded Tuesday evening to a call for a meeting of the lot owners of the North Platte cemetery. This was the first formal meeting the association had held since October, 1893, which can be taken as evidence that little interest has been taken in the association by those directly interested. Secretary French stated the condition of the association, showing the receipts and expenditures and an existing balance of about \$1800. Lotowners present expressed their disapproval of the condition of the cemetery and the sexton came in for rather severe criticism, and quite naturally he defended himself. The opinion of those present was that the city should take over the cemetery and conduct it as a municipal property. To this end a committee was appointed which will confer with the city council. There is no doubt but that the solution of the cemetery question is ownership by the city, in which event the money now in the association treasury would be contributed as an endowment fund.

A committee consisting of Harry Dixon, Dr. V. Lucas and Miss Annie Kramph was appointed to take the matter up with the council and they will act in conjunction with the officers of the association.

Will Enter Plea of Guilty.

Geo. A. Brown, who was arrested some time ago at Kearney on the charge of burglarizing the hardware store of D. J. Antonides and the C. O. D. Cleaning establishment, has asked to be allowed to appear before the district court and enter a plea of guilty. He was given preliminary hearing before Judge Grant some time ago and entered a plea of not guilty and was bound over to the district court on bonds of 500 which he was unable to furnish. Since that time he had been held at the county jail to await the jury term of district court and this week he asked to be allowed to change his plea from not guilty to guilty. He will probably be taken before Judge Grimes this afternoon to enter his plea.

Receive Bronze Memorial Tablet.

The local office of the Building & Loan Association received a beautiful bronze memorial tablet yesterday which they are having placed in the vestibule of their new building today. The tablet is in memory of the old North Platte Building & Loan Association which was organized in 1875 and terminated in 1882 and was presented by the Nebraska State League of Loan and Building Associations. The text of the tablet is as follows: "This tablet was erected in the year 1914 by the Nebraska State League of Loan and Building Associations as a Memorial to the North Platte Building and Loan Association, The Parent Association of Nebraska, Organized in 1875 and Terminated in 1882."

The electric lighting plant at Hershey was put in commission this week and is said to be very satisfactory. Naturally our enterprising little neighbor on the west is feeling happy over its achievement.

Fred J. Warren came up from Omaha this morning and will spend a couple of days with friends. He will be orator at the Socialist picnic at the Dillon Grove tomorrow.

Mrs. J. W. Rosencrans and daughter Miss Dorothy of Cozad arrived in the city last evening for a visit with the former daughter, Mrs. I. A. Gilbert. Mr. Rosencrans is expected to arrive evening to spend the Fourth.

Miss Florence Stack left this morning for Sidney where she will spend several days visiting friends.

Local and Personal

Mrs. M. V. Mitchell and son Hugh spent Wednesday visiting relatives in Lexington.

J. C. Den and family are visiting this week with friends in Ogalalla, driving over in their car.

J. E. Sebastian left this morning for Bridgeport to spend a few days looking after some business matters.

Architect Bert M. Reynolds left this morning Oshkosh to spend the day looking after some business matters.

"Your Bosom Friend," Dickey's Laundry.

Mr. Morris, of Juniata, was operated upon yesterday at the North Platte general hospital. He is reported recovering nicely from the operation.

Mrs. Wirt, wife of the trainmaster, was operated upon this week at the North Platte general hospital. Her condition is reported favorable and she is convalescing nicely.

Clarence McCabe, Leslie Bars, Claude Weingand and Harry Hemphill left this forenoon in the former's car for Kearney where they will spend the Fourth.

Mr. and Mrs. W. H. McDonald and F. L. Moonway will take a party of girls to Gothenburg tomorrow morning where they will camp out until Sunday evening.

Weather Forecast: Partly cloudy tonight and Saturday not much change in temperature. Highest temperature yesterday 84, a year ago 99; lowest last night 63, a year ago 69.

County Attorney Geo. N. Gibbs and Sheriff A. J. Salisbury will spend tomorrow visiting in Wallace. Wallace having a large celebration and Attorney Gibbs is scheduled to give the address of the day.

Notice to Eastern Star.

There will be initiation of the O. E. S. Thursday, July 9th. All members are requested to be present. By order of Mrs. W. W. Cumming, Worthy Matron.

Manufactured by the Star Bottling Works.

A Seasonable Suggestion

CHASE & SANBORN'S Seal Brand Tea The Best TEA for ICE TEA

BREW in the same manner as though serving hot, only make a little stronger, as the addition of ice will reduce the strength.

When cold, add a small quantity of lemon juice and allow a few thin slices of lemon to float on top.

Add sugar to suit taste. Use cake of ice large enough to keep it thoroughly chilled.

FOR LARGE QUANTITIES

use three ounces of tea for each gallon of water.

As a special favor from Chase & Sanborn we are able to give to our Tea and Coffee buyers

A Handsome Four-Cup China Tea Pot

with every purchase of two pounds of Chase & Sanborn's Coffee or one pound of Chase & Sanborn's Tea. The tea pots will be limited one to a family as our supply will enable us only to do so.

This is a treat that we are not able to offer very often as these tea pots are direct from the Chinese potteries in the heart of the tea growing districts.

LIERK-SANDALL CO.,
SOLE AGENTS.

Perfection Oil for Incubators

is the best. It burns clean and evenly—no chance of smoke or soot. It makes steady burning certain. It's the incubator oil without a risk. It's clean tank wagon oil, not barrel oil.
