Auto Turns Over None Seriously Hurt

Mrs. A. N. Durbin and little daughter, Mrs. James Dorrain and daughter Zella, Mrs. Fritz Ulrich and Mrs. James Frazier barely escaped serious injury Wednesday evening between five and six o'clock when the car in which they were driving turned over into the ditch at the side of the road near the Nichols school house.

Mrs. Durbin was driving the car and the party had been out to Chris Cooke's place near Hershey to get some cherries and were returning home. Earlier in the day when they drove out to the Hunter place on the same mission they had had tire trouble. At the Nichols school house when they were driving along a narrow grade Mrs. Durbin looked back to see if the tires were all right. As she turned in the seat she apparently turned the wheel also and turned the car off the grade. They would have been safe, but Mrs. Durbin made a short turn to get back on the grade and turned so shortly that the car was thrown over.

All the ladies were pinned underneath the car, but Mrs. Frazier was able to get out and she held up the car until the other occupants of the back seat could get out. The two little girls and Mrs. Ulrich got out and they attempted to lift the car so that the other two women could get out but they could not. They called to some Greek laborers who were working nearby and the Greeks lifted the car and set it upright. While the car was turned over the engine kept running which threw the weight more heavily on the people underneath.

No one was seriously hurt although all of them were more or less bruised. The car was not damaged except for the top which was badly smashed up. They were able to return to town in it and it was put in the garage for repairs.

Mrs. Mary Peter Asks for Divorce.

Suit was filed yesterday morning in the district court by Mrs. Mary Peter against William Peter for divorce and alimony. The parties reside here and the defendant is a property owner here. Mrs. Peter asks divorce on the grounds of neglect and extreme cruelty. She states in her petition that she is a woman fifty years of age and unable to care for herself and she also asks for alimony.

In the petition the plaintiff states that she was married to the defendant September 30, 1912, in Madison county Nebraska. That since that time she has ever conducted herself as a dutiful wife and that at different times the defendant has been guilty of using obscene and abusive language in speaking to her. That at one time he came home intoxicated and that the next morning after he accused her of being a thief. That she was sick and he refused to get medicine for her and that he swore at her and called her vile names.

She also states that the defendant possesses real estate in this city worth about \$4,000 and that he has other real estate and that he has personal property to the amount of about \$4,000. She asks for complete divorce, the restoration of her maiden name, Mary Ruffing, and suitable alimony. Also that the defendant advance \$200 for costs of the suit and that he pay the costs. Attorney Geo. E. French appears for the plaintiff.

For a number of years the deceased lived on a farm in Hinman precinct, but sold it several years ago to J. C. Wilson. For a year or more past the deceased had lived in town. His wife died several years ago in Hastings, where they were living at that time. No children survive.

Stapleton has won the first round in the county seat fight in Logan county. A petition was filed with the county board with 348 signers asking for an election on re-location. C. C. Connelly and James Philpot, two members of the county board, refused to act on the petition and attempted to lay the matter over for sixty days, but Judge Grimes ordered action to be taken a week later, if not, to appear before him and show cause, which was done on June 29. Judge Grimes turned remonstrance down and orders the commissioners to meet and act on the petition on July 15. The petition as filed with the county board had 108 more signers than was necessary under the law.

North Platte Band

Will Begin Concerts

The North Platte Military will begin Sunday with their weekly concerts for the benefit of the residents of the city. The first summer concert will be given Sunday afternoon on the court house lawn and thereafter they will be given every Sunday afternoon. The committee appointed to canvass the town for subscriptions has been working for some time and they report a successful canvass.

So far only the business district has been canvassed and the committee is now just beginning on the residence district. The band has been at considerable expense and there are a great many things that they need that they have not the money to get. The Chamber of Commerce voted at a recent meeting to allow the band one dollar per man per concert for the summer and the committee will get the rest of the required money from the residents of the city. The people are asked not to lock the doors if they see a member of the committee as they do not wish to rob them but are only asking for a contribution of whatever the people can afford to give to promote the band concerts.

Just now the band has been at considerable expense as they have had to buy a new bass horn. They have ordered a fine large e-flat tuba which alone is costing them \$120. They have needed this for some time but have been unable to get it as they have not had the funds. They will play tomorrow at Gotzenburg for the Fourth of July celebration and that will help them some but a great deal more is needed and they ask the support of the city.

The following program will be given under the directorship of Earl Stamp Sunday afternoon at 4 o'clock:
