## BALL TOURNAMENT DRAWS BIG CROWDS

Many fans from the neighboring towns and a good crowd of local people were out to the games for the first two days of the tournament and they witnessed some good games. About fifty ball players and twenty or more fans are staying in the city for the three days and much interest is being shown. The dances Wednesday and last evening were also well attended and everyone present reported a fine time. The games Wednesday were of the best that have been played on the local diamond and resulted in victories for Ogalalla from Cozad, and Hershey from North Platte.

The Ogalalla-Cozad game resulted in a 3 to 2 score. Ogalalla started with one score in the first when Cozad errored, letting a man to first and then missed a thrown ball, letting the man to second. In the second inning another error by Carrig let in two scores. Cozad scored two runs in the third when after two men were out a hit and an error put a man on first and one on second. Marlett then went up in the air and walked three men, walking two over the plate. Ogalalla got six hits and Cozad three. Marlett and Harrington were batteries for Ogalalla and Totonhoff and Taylor for Cozad.

The second game, between the Hershey Giants and North Platte resulted in a shut out, Hershey winning with a 3 to 0 score. Failure to hit the ball when men were on bases resulted in no scores for the locals, while the visitors landed on Pitcher Smith for ten hits. Some untimely errors also let in the scores, as there were no earned runs. Beachan had the locals on his hip, letting them down with only two hits and striking out eleven men. The batteries were Smith and Pass, Beachan and McConnell.

Thursday afternoon the fans down at the ball lot were treated to two more strong games, North Platte winning from Ogalalla by a score of two to one in a game that went eleven innings, and Cozad defeating Hershey by a three to nothing score. In the Ogalalla-North Platte game the latter team scored one in the second inning and the Ogalallas one in the fifth, then there was nothing doing in the scoring line until the last half of the eleventh when Pierce knocked a fly over center field so far into the cornfield that the ball was lost and he made a home run, whereat the crowd arose as one man, howled itself hoarse and showered dimes, quarters and halves on Mr. Pierce. Vance occupied the mound for North Platte and Sheffield for Ogalalla, and each were touched up for nine hits, North Platte made three errors, Ogalalla two.

The Cozad-Hershey game was a peppery one also, the last six innings proving almost perfect ball. Cozad scored once in the second, when Artley knocked a three-bagger, and in the third scored twice through the medium of a walk, an error and a hit. Woodbeck twirled for Hershey and Artley for Cozad, the former allowing six hits and the latter four.

This afternoon Ogalalla will play Hershey and North Platte will go up against Cozad. So far each team has won a game, which means that at the end of the series a division of the end of the series a division of the purse must be made. Today's games promise to be just as gingery as those of Wednesday and yesterday.

## Leg Broken in Collision.

Frank Scott, fourteen year old son of Mr. and Mrs. Frank Scott, living on West Sixth, had his right leg broken below the knee yesterday afternoon when he was run down by an automobile at the corner of Sixth and Locust. Frank was coming south on Locust and as he neared the crossing an automobile driven by three tourists from Indiana turned into Locust from Sixth and collided with the wheel. Frank was thrown to the ground and front wheel passed over his right leg, causing a bad fracture. He was dragged six or eight feet and was somewhat bruised on the body. He was carried into Echelberry's residence, a physician summoned and the broken bone set. Later he was conveyed home.

The tourists claim they were running about six miles an hour when they turned the corner, and that Frank pedaling against the wind with his head down, failed to see them approach, and that they had attempted to turn out of his way.

**The Sweet Clover Harvest.**

## Use of the Telephone in U. S. and Europe

When telephone rates are low and service good, the use of the telephone is liberal; if rates are high and service poor, the use of the telephone is restricted.

Because telephone service in the U. S. is the best and the rates the lowest in the world, Americans use the telephone more than twice as much as the people of any other nation.

Here are some interesting official figures:
