In North Platte there are quite a large number of "born in Germany" men, and though they have sworn allegiance to the United States and renounced the fatherland, it is noticed that when the European war is discussed, their sympathies are very strongly with Germany, and in practically every instance they predict the success of the German arms.

It was a narrow escape.—Oshkosh Herald.

OGALALLA WINS FIRST MONEY.

WESTERN TEAM DEFEATS COZAD IN THE FINALS PLAYED SUNDAY AFTERNOON

Record Breaking Crowd Present and Excitement Runs High During Both of the Games.

In the double header Sunday afternoon to play off the ties of the tournament, North Platte defeated Hershey for third place in the tournament by a score of 7 to 5 and Ogalalla defeated Cozad for first place by a score of 4 to 2. Both games were good and the last game was the best of the tournament, while in the first game the score went higher than it did all through the series, and the game went ten innings.

In the first game the Independents scored one in the first and the Giants scored two on a hit and two errors. The Giants scored again in the second on a hit and two errors and there was no more scoring until the fifth when each team scored one run. The game was characterized by numerous errors all the way through. In the seventh the locals scored again and in the ninth they scored twice. However the Giants came through with one in the ninth tying the score. In the tenth inning the locals scored two, but the Giants were unable to connect with Vance with enough effect to score. Batteries, Vance and Pass, Bechon and McConnell.

The score RHE
Independents . . . 10 0 0 1 0 1 0 2 2 7 9
Giants 2 1 0 1 0 0 0 1 0 5 11 10
The game between Ogalalla and Cozad was errorless until the eighth and only one was made during the entire game. The score was 4 to 2, and there was no scoring until the sixth inning when Ogalalla succeeded in pushing one across. Several times men got on but neither side had an easy job. Todenhoff, the Cozad pitcher, was not in his usual form, but he held the others down in good shape. In the eighth inning Ogalalla came across with another, but in the second half Cozad tied the score with three singles and a double. In the ninth, however, Ogalalla scored two on a strike, winning the game. Batteries Todenhoff and Taylor, Marlett and Harrington.

The score: RHE
Ogalalla 0 0 0 0 0 1 0 1 2 4 10 6
Cozad 0 0 0 0 0 0 2 0 2 9 1

OGALALLA AND COZAD ARE WINNERS IN FRIDAY'S GAMES

Before the largest crowd that has yet been out to a ball game this year North Platte went down to defeat the Cozad aggregation by the score of 2 to 1 and Ogalalla defeated Hershey by the same score. Both games were fast and were the best games of the tournament. The Ogalalla-Hershey game was played in one hour and thirty minutes and the other in an hour and forty-five minutes.

In the first game Ogalalla scored one in the first and Hershey one in the second. There was no more scoring then until the eighth and it looked as though an extra inning game would be required. In the eighth Burke lined out a two bagger, Beal sacrificed, putting him on third and Marlett sacrificed, scoring Burke. Both teams then tightened, but the game was lost as the Giants were unable to tie up the score. Bechon allowed seven hits and struck out seven men and Marlett allowed two hits and struck out five. Each side made only one error.

The Cozad-North Platte game was a fight from the start, and no scores were recorded until the fifth inning when Cozad bunched five hits and ran across two scores. In the second inning, however, Pierce, running for Pass, worked a squeeze play in from third, but the catcher interfered with the batsman and the umpire made him go back to his base on the ground that it was a dead ball. The locals lost some of their ginger after that, but they played good ball and Jones tightened up and did not give the boys from the east a look in. North Platte scored one in the ninth when with two out Twomy lined out a two bagger. Sandall then pinched hit for Halligan and lined out another, scoring Twomy, but Jones grounded out, ending the game with the score 2 to 1. Artley allowed four hits and struck out five and Jones allowed seven hits and struck out seven. Each team made four errors.

The results of the tournament left Cozad and Ogalalla with honors even for first and second place and North Platte and Hershey with equal chances for third and fourth place.

Division of Money.

In the division of money put up as prizes for the ball tournament and the gate receipts for Sunday's game, the Ogalalla team received \$229, Cozad \$152, North Platte \$158 and Hershey \$102.70. The purses of \$150, \$100, \$75 and \$50 were awarded to the teams in the order named and in addition each received a share of the gate receipts of Sunday's games.

The total paid admissions at all games were about 2,400, and probably 500 others saw the games by making a sneak in around the fences. The paid admissions at Sunday's game were \$25.

Close of Union Services.

The last of the summer union outdoor services was held Sunday evening at the school house park and the largest crowd that has yet attended was present. The services were exceptionally interesting and the meetings promise to be much more popular another year than they have been this year. Rev. J. L. Barton of the Baptist church preached the sermon Sunday evening and he gave a very practical talk upon living the christian life. Special music for the occasion by a male quartet, composed of Messrs. Bruce Brown, James Shaffer, Dr. Harry Mitchell and A. T. Yost.

Following the services the band concert was given on the court house lawn and it was very good and a large number attended. The boys are improving in playing all of the while and a marked difference can be noticed with the addition of the new bass horn.

Elks' Annual Picnic

The second annual picnic of the E. P. O. Elks will be held at the Liston lake, thirty-five miles south of town, on Sunday, September 6th. All those who expect to go are requested to hand their names to Steward Smith not later than August 28th. It is necessary that the number going be learned in advance in order that the proper supplies for the dinner and supper be secured in ample time.

An invitation will be extended the McCook commercial club to be present, and it is expected that a large number of the members of that organization will accept.

It is probable that at least 100 Elks will go on the trip, which will be made in autos.

WAR NEWS

A great battle is now in progress between the German and allied forces, the front of battle extending for 250 miles with approximately 2,500,000 soldiers and officers in line. News of the battle is very meagre, but at some points along the line the Germans report successes, while at other points the French and English claim victories. The close censorship on war news prohibits full accounts of the engagements, and the numbers of casualties are not given by either of the contending forces. The number of killed and wounded, or taken prisoners, will probably never be given accurately.

The Japanese emperor has issued an imperial rescript declaring war on Germany, and the Japanese minister at Berlin has been handed his passports.

A carload of California pears was distributed among our local merchants last week by T. M. Cohagen, the local distributor.

Chas Rincker, who had been at Keystone for a couple of months working in his father's branch store, has returned home.

The counters in the Kaufman-Werner store have been re-arranged in such manner as to increase the display space about one-third.

Mrs. Oberst, who was called here by the death of her sister, the late Mrs. French, returned to her home in Omaha Saturday morning.

Not a Vacation Prospect
"My boy," said the professor, "if you keep on as you have started and study hard you may be president of the United States some day."

Highly Esteemed.
"Do you think that most people nowadays worship money?"

"No; I won't go as far as that," answered the home grown philosopher, "but I will say that the love of money is seldom platonic."—Washington Herald.

Don't waste your time and money on worn-out land that is high-priced simply because it was once worth its present price! The richest virgin soil is waiting for you in Manitoba—and the Alberta-Saskatchewan district. You can buy it for practically the same price per acre that the mere manuring per acre of soil in many parts of the U. S. costs! Fertile Canadiana West offers you not only soil of wondrous productivity, but it also offers you a splendid climate, churches of all creeds, splendid public schools, exceptionally good markets, fine hotels and transportation facilities that are unequalled.

We have a truly splendid proposition to make to any earnest farmer or to men who wish to farm and who are sincere in their desire to settle in this country. We actually are in a position to enable you to own 10 acres for every acre that you now own or farm—and every acre here will produce double what a worn-out acre produces anywhere. On top of that, we give you:

20 Years to Pay for It

You gain the land for from \$11 to \$20 per acre. In 20 years you pay merely one twentieth down. The balance is split up into 10 equal payments. The farm will more than meet the payments and your family's living expenses. Canadian Pacific farms pay for themselves over and over again before the time the last payment falls due. The Origin of Algebra.

If Diophantus of Alexandria, fourth century of the Christian era, was not the inventor of algebra, then it is not known to whom the honor belongs. To Diophantus the honor is generally given. The Arabians claim that the invention belongs to one of their countrymen, Mohammed Ben-Musa, who flourished about the middle of the ninth century. Certain it is that the Arabians introduced algebra to Europe by way of Italy through Leonardo, a merchant of Pisa, who had lived among the Arabs of Barbary. Leonardo's treatise was written in 1202.
