## NORTH PLATTE BOY KILLED AT SIDNEY

**ENOCH MATSON FALLS BETWEEN  
CARS AND IS INSTANTLY  
CRUSHED TO DEATH.**

**The Wheels Pass Over His Chest,  
Amputating Both Arms, and Badly  
Bruising and Cutting Body.**

Enoch Matson the fifteen year old son of Mr. and Mrs. E. M. Maston, who reside at 1218 West Second street, this city was instantly killed at ten o'clock yesterday forenoon in falling or jumping from a train as it entered the east end of the Sidney yards.

Some time during Wednesday night young Matson, in company with Adam Waltz and John and Frank Shaffer, boarded a west bound freight train in the local yards with a view of going to Cheyenne. As they neared Sidney the boys separated and concluded to jump from the train when it reached the stockyards east of the Sidney station. When last seen alive by his companions young Matson was standing on the bumpers between two cars; their next view of him was his mangled remains. Whether young Matson attempted to jump from the train and fell under the wheels, or whether he lost his footing and fell, will never be known, but he was instantly killed by the wheels passing over his chest, crushing it, amputating both arms above the elbow, and badly cutting and bruising the body.

The accident was not discovered until the train had passed. The remains were picked up and cared for until the arrival of train No. 4 when they were sent to this city, arriving at 10 o'clock last night. At this writing arrangements for the funeral had not been completed.

Mr. Matson, the father of the boy, is engaged in the dairy business on west 2nd street. The son had not been home since Sunday, and the parents supposed he was staying with some young man friend in some other part of the city. The receipt of a telegram announcing his death was, of course, a great shock to the parents.

Christian Science society, Sunday 11:00 a. m., subject, "Christ Jesus." Sunday school 12 m. Wednesday evening meeting every week at 8 o'clock. Building & Loan building, room 25.

As a result of the increased cost of food stuffs the restaurants of North Platte have raised the price of regular meals twenty per cent. Food is only one of the necessities of life and the people from Brady will stand it as long as the picture shows in North Platte don't raise their prices.
