## Elks' Billiard Tournament.

A billiard tournament in which forty or fifty players are taking part, has been in process at the Elks' home for a few days. The players are divided into two teams, and the team winning the greatest number of net points will be treated to a baked bean supper by the losing team. An effort will be made to close the tournament tomorrow, in which event the supper will be held at the home tomorrow evening. The tournament has aroused considerable interest and this is pleasing to Steward Smith, who is never fully satisfied unless "something is doing" all the time.

## Payment of Premiums Delayed.

The payment of premiums to winners at the county fair will be delayed about ten days. This delay is due to two causes. One is that the money due from the county which will be devoted to payment of premiums will not be received for a week or ten days; the other is because Secretary Sebastian, who is always a busy man, allowed his personal business to accumulate while looking after fair business, and it is necessary that he devote the next week to catching up. Early next week he will brief all the departments, classes and winners, and then as soon as the county commissioners turn over to the fair treasurer the amount due from the county Mr. Sebastian will issue checks to those who are entitled to premiums.

## Club Meeting This Evening.

The first general meeting of the Twentieth Century club for the 1914-15 year, will be held at the public library this evening at eight o'clock. The year book has been printed and will be distributed at the meeting this evening. It is desired that all members be present at the meeting this evening and that they come prepared to pay their annual dues. Donations to the playgrounds association and to other purposes, has about depleted the treasury, and it is necessary that it be replenished by the payment of membership dues.

The heads of the several departments have compiled very interesting programs for the coming club year, and if the proper interest is taken by members the year will prove a very interesting and profitable one.

## Old Resident Dies.

Olaf Johnson, one of the oldest settlers of Gaslin precinct, died at an Omaha hospital Sunday evening following an operation that had been performed a day or two before.

Mr. Johnson was in this city Wednesday attending the fair; and while here was taken sick with stomach trouble. He went to a physician and received temporary relief, but enroute to Brady on train No. 4 Wednesday night the trouble returned and upon reaching Brady a physician was summoned who advised him to go to Omaha for treatment. Mr. Johnson went to that city on the first available train Thursday and entered a hospital. The operation was performed Saturday and death followed Sunday evening. The remains were brought to Brady yesterday morning and conveyed to the Johnson home in Gaslin precinct.

The deceased was at one time a resident of North Platte, at the time working as a tailor for the late A. P. Carlson. He moved to Gaslin precinct about thirty years ago. Mr. Johnson was a most excellent man, honest, upright and industrious, and by industry and thrift had become well fixed financially.

Among the bereft children are Mrs. Chas. Lierk and Harry Johnson, locomotive fireman, of this city. Mr. and Mrs. Lierk and Mr. and Mrs. Johnson will attend the funeral which will be held tomorrow.

Fireman Ray Welborn has on exhibition in the McDonald store window evidences of his prowess as a hunter—the hides of a black and a brown bear, mountain sheep, two bob cats, wolf, lynx and deer.
