## INDICTED FOR FRAUD

S. A. Meade of this City Among those Indicted by the Federal Grand Jury Last Week.

S. A. Meade of this city is included in the list of indictments brought last week by the federal grand jury of the federal district court at Omaha against some thirty-nine men charged with using the mails for the purpose of defrauding. The case is to be heard Monday of next week in Omaha and Beeler & Crosby of this city will appear for Mr. Meade.

In the list is also included E. C. Hodder, a prominent attorney of Omaha. It seems that a corporation was organized by a number of men for the purpose of selling a large number of range horses reputed to be located in Arizona. After a buyer had paid his money over he was left to find the horses in that state and would probably find a few horses carrying the brand represented by the corporation, but the horses were so few that it was a clear case of fraud. The company also used the mails for advertising which caused their indictment for defrauding through the United States mail.

Just how Mr. Hodder is implicated in the business is not definitely known as he is a man of good reputation. Mr. Meade, however, was employed by the company and sold horses for them. Later he was allowed to go to Arizona and he then discovered the fraud and quit the company. It is the opinion that he was indicted for the sake of getting him to the trial as a witness. He was arrested by the local officers, but is now out on bonds.

### Don Clabaugh in Chill.

J. F. Clabaugh received a letter yesterday from his son Don who is now in Chill, South America. Don, who is in the employ of the Standard Oil Co., sailed on a ship carrying the German flag and laden with oil. When they reached a Chilean port the vessel and its crew and passengers were detained by reason of the flag. The Americans on board have taken the matter up with one of the American consulates in Chill and expected a release immediately.

## QUIGLEY SELLS PRACTICE.

Decides to Leave North Platte and Dr. Sims will be his Successor

Dr. D. T. Quigley, who has been practicing in this city for the past eleven and one-half years, has sold his practice here to Dr. John S. Simms, who has been with him for the past few months and he will leave shortly for a new location. He has not definitely decided where he will locate, but it will be either in San Francisco, Omaha or Chicago.

Dr. Quigley came here over eleven years ago to take the practice of Dr. Bedell for thirty days while the doctor was receiving medical treatment, and he intended remaining for only that period. He later decided to locate here and gained a large practice and has one of the best equipped offices for surgery in the state. He now intends going into a larger field and does so with the regret that he will have to leave so many good friends in this city.

Dr. Simms, who has been with him for the past few months, will take over all of his practice. Dr. Simms is a physician of ability and is fully capable to take care of the work. He is especially equipped to handle all of the surgical work and his experience in this line is such that he can handle it well. His practice as an interne in the Cook county hospital in Chicago bespeaks of his ability and experience in surgery.

Dr. Quigley, with his family will leave here the latter part of this week and will later decide just where he will locate. He has good opportunities in each of the three places mentioned, but as yet has not decided which one he will accept. He returned only last week from an extended trip to the east and to points east where he was looking over the propositions mentioned.

### Farewell Party to Mrs. Quigley.

A farewell party for Mrs. D. T. Quigley was given last evening by the members of the Study Club, at the home of Miss Grace Mooney. It was in the form of a character party, each one representing in costume a book or noted character. The book Miss Walker represented was the only one not guessed.

An elaborate two course chafing dish luncheon was served, the chafing dishes being presided over by Miss Mooney and Mrs. Westfall. Miss Smith as toastmistress, gave the opening address, and in an apt and poetical way introduced the subjects which were responded to in a humorous and entertaining manner.

"Reminiscences" by Miss Watts, "A Prophecy of the Future," by Mrs. Scott and the "Last Will and Testament of Mrs. Quigley" written by Miss Plummer. In a few apropos remarks, Miss Laura Murray presented Mrs. Quigley with a silver fork.
