

YOUR EYES

Your eyes are your bread winners. Take care of them. If you would stop and think what it would mean to be deprived of your eye-sight, how utterly helpless you would be, you wouldn't abuse your eyes in the least but would take the greatest care of them always.

The moment you feel that anything is wrong, if your sight is blurred, if you feel dizzy, if your eyes tire easily, you should not lose a minute in having them examined. By being prompt in attending to your eyes at the first sign of trouble you will be able to have the defect speedily and permanently cured.

DR. ANNASHAW TO LECTURE

Noted Suffragist Secured by Local Association for Sunday, October 11th

Dr. Anna Shaw, noted the world over as a suffragist speaker, will speak in the city Sunday afternoon, October 11th, under the auspices of the local suffrage association, according to arrangements completed Saturday evening. She will arrive here in the afternoon and will spend two hours in this city.

North Platte should feel especially honored in having one of the note of Dr. Shaw to speak, even though she will be here for such a short time. The local organization was able to secure her for the reason that this is a terminal and she would be obliged to stop here for a short time and while doing this she assented to remain over one train and favor the North Platte people with an address.

Dr. Shaw is well known the world over, having represented America on several different occasions at conferences in Europe. She was the American representative at the recent suffrage congress.

Negotiations are on foot to secure the Keith theatre building for her to lecture in as that is the only building that will accommodate the crowd that will undoubtedly turn out to hear her. However, no definite arrangements for the building have yet been consummated.

"Nearly Married" is Funny.

"Nearly Married," which comes to the Keith on the evening of October 1st is an awfully funny farce. The story is funny but to see it acted is funnier. A man and his wife decide that they want a divorce. When it is about to be granted they decide to make up, then they start on their second honeymoon without telling their friends of the reconciliation. A meddlesome brother, who is also the wife's attorney, arrives with the decree five minutes after the couple have left for parts unknown and the race is to overtake the wife who is no wife and the bridegroom who can't be one is on. Talk about funny situations and hearty laughs, "Nearly Married" is just one roar after another from the time the curtain goes up on the first act until its final fall on the third when the audience is in a veritable laughing panic.

Agree on War Revenue Tax.

An emergency revenue bill to provide \$105,000,000 taxing beer, wines, gasoline, sleeping and parlor car tickets, insurance, telegraph and telephone messages, amusements and a variety of documents, was agreed upon Saturday by the democratic members of the house ways and means committee.

The republicans of the committee will be called in Tuesday to vote on it, and the house will begin considering it next Thursday.

Republicans of both house and senate already have gone on record in opposition to any war tax measure. The democrats hope to rush the bill through the house and the big fight against it, it is realized, will be in the senate.

Register for Football.

Three North Platte boys who are in the Freshman class at the state university this year have registered as eligibles for the football squad. They are Clarence Day, Joe Donagan and Paul Ottenstein, and all three were members of the local high school team. With Vic Halligan as captain and Pat Morris a member of the regular team and three other North Platte boys in line for positions on the second team, this town certainly shows up well.

Celebrate 63d Anniversary.

The sixty-third anniversary of the founding of the Rebekah degree lodge was celebrated Friday evening by members of the local order Odd Fellows who were guests. Mrs. John E. Evans delivered an address on "The Occasion," musical selections were rendered by Miss Marie Hoagland, Miss Cre Diener, Mrs. Ora DeFord and Prof. Klein and a reading by Miss Ruth Elder. Following this program refreshments were served by a committee and an hour or so spent in a "good time."

Thrown by a Dog.

The fifteen year old daughter of Mr. and Mrs. Henry Hoatson of the Hershey vicinity was badly bruised in this city Saturday evening when a dog ran into her and knocked her to the sidewalk. The accident happened at the corner of Sixth and Dewey streets. The girl was crossing the street and a large dog attempting to get out of the way of an automobile ran into her. She was taken to the Rexall drug store where it was found that her injuries were not of a serious nature but she was badly bruised from the fall.

North Platte Girls Pledged.

Among the 100 co-eds pledged by the sororities of the state university last Saturday evening were four North Platte girls, Misses Myrtle Beale, Nannie Iddings and Lucille Wilcox were pledged by the Pi Beta Phi and Miss Helen Waltemath by the Alpha Phi. These are three of the Greek letter societies represented at the university, and to be pledged is to be recommended for membership.

Card of Thanks.

We publicly express our sincere thanks to the friends who gave assistance during the illness and at the funeral of our daughter Gladys, and to the societies for the many beautiful floral tributes. Mr. and Mrs. C. J. Perkins and Family.

Maurice Fowler returned Sunday from Grand Island where he marketed a car of horses. He will ship another carload this week. There is a demand for war horses for export to Europe, but the requirements for these horses are such that only one in twenty-five of the general run is accepted. At Grand Island Sunday out of 1200 head on sale less than fifty were accepted for war purposes. Several of Mr. Fowler's passed muster.

The Woman's Home Missionary society of the Methodist church will give an ice cream social Friday afternoon and evening at the home of Mrs. M. E. Scott, 220 west Second street. Everybody cordially invited.

In the final game of ball in the church league, played Friday evening, the Episcopalian team defeated the Christian team by a score of four to two. This seven inning game proved very snappy, the score standing one to one for five innings. In the sixth inning the Episcopalians pushed over three runs, and in the seventh the Christians made a score. The batteries were Swope and Munger for the victors and Husband and Clabaugh for the vanquished. A good sized crowd witnessed the game and the excitement was tense throughout the contest.

The parents are aged people and the sons were their support, but the boys were called and had to take up arms against the foe. F. C. Waltemath has two brothers and nine cousins in the German ranks.
