FRANK BARRON, FORGER, ENTERS PLEA OF GUILTY

Frank A. Barron, who has been a resident of this city for the past two months, was arrested Saturday evening on the charge of passing forged checks on Forstedt & Sheedy, harness makers in this city. He appeared before Judge Grant yesterday morning and entered a plea of guilty and he will probably be allowed to plead before Judge Grimes today.

Barron faced two counts. The first for forging a check and the second for passing it. The check was made out on the McDonald State bank and was signed Thomas Cox, who is a railroad man in this city. The amount was \$4.10.

It is reported that he forged checks on every bank in the city, but evidence other than his own admission failed to reveal the other checks. The penalty for this crime is an indeterminate sentence of from one to twenty years.

Barron gives his home as Lincoln and claims that his mother lives there. He is a "dope" fiend and became quite violent Sunday and had to be quieted with morphine. He made the statement that the penitentiary is the only place where he will be safe and seemed anxious to start for that place. From all records that can be found there is none that would show that he has ever been there before.

FORMER RESIDENT KILLED IN GUN FIGHT

The following dispatch from the Omaha World-Herald tells of the death of a former resident of this city:

Stapleton, Neb., Sept. 26.—Frank J. Polzkill shot W. W. Thomas Thursday evening on the Lon Dillon farm east of town. He died a few hours later from the effects of the wound. The bullet entered the head just above and to the left of the temple. The act was done in self-defense, that being the verdict of the jury at the inquest. Both men were residents of Logan county.

Mr. Thomas was a resident of this city several years ago. He opened up a blacksmithing shop on the north side of the building now occupied by Knox & Walter. He and Mr. Polzkill were brothers-in-law and had had some trouble before this. Thomas was much under the influence of liquor at the time of the affray.

MONEY TO LOAN ON REAL ESTATE. BRATT & GOODMAN.

Frank Taylor, who was arrested last week for stealing goods from the Chamberlain rooming houses will probably be given a hearing in the county court today. He was arraigned last week and pleaded not guilty to the charge of breaking and entering. He will be tried for larceny, the state having decided that they cannot prove that he broke into the house. Taylor stated at the hearing that the door was open when he went in. The amount of the theft was about twenty dollars, which will give him a jail sentence. He stated that he would plead guilty to larceny.

George Bishop, the paroled convict who was arrested last week at Wallace for stealing from the man to whom he was paroled, has pleaded guilty to the charge of larceny in the county court. He is now being held in the county jail to await the action of the pardon board. He will probably be taken back to Lincoln to serve out the term from which he was paroled and the present charges will be dropped. Bishop was serving his second term in the penitentiary when he was paroled. Both times he was sent up for stealing clothes, which seems to be a mania with him.

MEN'S BROTHERHOODS WILL JOIN TOGETHER

Nearly two hundred men attended the brotherhood get-together banquet last evening at the Baptist church and a pleasant time was enjoyed. The meeting resulted in the appointment of one man from each brotherhood to form a committee to arrange for unionizing the work of the church men of this city and get them all interested along the same lines.

A fine supper was served by the ladies of the Baptist church at seven o'clock and all the men present did ample justice to it. A hearty vote of appreciation was extended by the men to the ladies for the meal. The meeting was then taken in hand by Horton Munger who acted as toastmaster and the speakers of the evening were introduced.

The first number was a male quartette selection by a quartette composed of Bruce Brown, James Shaffer, Dr. H. E. Mitchell and A. T. Yost. F. E. Bullard was then called upon and gave a nice address on the subject "The Work of the Brotherhood in Its Own Church." A. W. Schilling then spoke on "Methods of Getting New Members and Keeping the Old Ones Interested," showing the need of the social meeting, the business meeting and the devotional meeting all combined in one. Supt. Tout then gave a nice talk on "The Social Side of the Union Brotherhood." He went into a deep discussion of the need of the social part and outlined several plans for the unionizing of the different brotherhoods.

Following this the male quartette gave another selection and Mr. Knowles then spoke in the capacity of umpire. He spoke of the big work for the union brotherhood in the way of political reform and amusements and closed his remarks by saying that his decision as umpire was that the men get together and use team work.

After the appointment of the men from each brotherhood the meeting was open to discussion and the following men spoke regarding the lecture course that is planned for this winter and urged that all the brotherhood men get behind the proposition: J. Q. Wilcox, M. E. Crosby and Dr. J. B. Redfield. Rev. Cram also spoke on the lecture course.

The following men were appointed on the committee to get the men together: Lutheran A. W. Schilling; Episcopal J. B. Redfield; Methodist, E. J. Vanderhoof; Christian, F. R. Elliot; Baptist, Fred Loudon; Presbyterian, H. E. Mitchell.
