Two Arrests Made in Wallace Robbery

Sheriff A. J. Salisbury and County Attorney Geo. N. Gibbs returned Wednesday evening from Wallace with two men whom they arrested there under suspicion of being implicated in the robbery of the Wallace elevator Saturday night. The two men are Anton Halup and Jesse Phillips and they appeared before the county court yesterday and entered pleas of not guilty and were released upon appearance bonds of \$500 each.

The two men are farmers living south of Wallace and evidence would tend to show that they were in the village in a big wagon on the night the robbery was committed until a late hour and that they were much under the influence of liquor. Twenty sacks of flour were stolen between the hours of ten and twelve o'clock Saturday night. Entrance was gained by tearing open a screen and breaking a window, which would constitute breaking and entering which is a penitentiary offense.

The sheriff was called over there Sunday but was so busy here with a number of cases that he was not able to make a thorough search. He and Attorney Gibbs went over and instituted a search which resulted in their gathering some rather conclusive evidence. The two men arrested insist that they are innocent, but they will be brought to trial in the county court in a short time and will be given opportunity to prove their innocence.

Empress, Big Feature

TONIGHT

What is known as a big feature is billed for the Empress tonight, "The World, the Flesh and the Devil," in six parts, six thousand feet of film. This is one of the Empress big features which will be shown every week, Friday. The feature for tonight comes highly recommended, coming direct from Denver, where it was shown in the Isis theatre for four days straight. The management guarantees every feature put on the screen, if not as advertised your money refunded. These features are billed only for one night on account of the high royalty on the same. In connection with this big 6 reel feature for tonight's program a good comedy will be shown, making seven reels in all. A program worth everybody's attention.

Car Turns Over on Stapleton Road.

John and David Brooks barely escaped serious accident Tuesday evening about five miles northeast of the city when the car in which they were returning from Stapleton turned over into a ditch. The car turned completely over and landed on the wheels again.

The young men were returning from Stapleton and darkness caught them before they got home. They were coming down a hill and had stopped in the middle of the hill. They were just getting up speed again when they struck sand and the car skidded and turned over. Both young men were thrown under the car and it rolled over them and landed upright about twenty-five feet away.

Luckily neither man was hurt other than a few bruises. John Brooks was driving and he had one leg wrenched a little. The car was very little the worse for the accident and they were able to return home in it.

The Royal Neighbor social club met at the home of Mrs. John Johnson last Tuesday afternoon. An hour was spent in select music and a guessing contest. Mrs. Everett York won the prize. A nice luncheon was served. Every one expressed themselves as having spent a pleasant afternoon.

Ray Dorrman underwent an operation yesterday at the P. & S. hospital. Dr. Wurtele performed the operation and the young man is reported getting along nicely.

Will Hatfield Married.

Will Hatfield, a former North Platte boy, was married at Thermopolis, Wyo., last Saturday evening to Miss Cora Heit, a young lady of that place. The ceremony was performed in the Episcopal church in the presence of a number of invited guests. For the present they will reside in Caspar, Mr. Hatfield being employed as a brakeman on the Northwestern road out of that place.

Halligan and Norris Shifted.

Word was received here this week by M. Keith Neville from Will Norris at Lincoln announcing that Captain Vic Halligan, who played a star tackle for the university eleven last year, had been shifted from tackle to half-back for a try-out and that he will probably play that position in the first game. Norris has been shifted from end to tackle, which position he played here in high school, and has been working in that position all this week and will probably play there in the game.

Henry Rathlin left yesterday morning for his home in Evanston, Wyo., after a visit of a few days in the city with his sister Mrs. Fred J. Wurtele. He was returning from Omaha where he went last week with a shipment of sheep from his ranch and he stopped off here for a short visit. Mr. Rathlin is a big ranchman in Wyoming.
