Dies in County Jail. Edward Gilberg, unknown in this city, was found dead in the county jail this morning by the officers. He was thrown in last night for being drunk and died during the night, apparently from the effects of his carousal. He carried a ticket from Point McDowell, Cal., where records show he was discharged a week ago today from the regular army, to Washington D. C. He got off the train here yesterday and was so drunk that the officers would not let him get back on.

He carried no other identification besides the ticket and four discharges which show that he must have been in the government service for about twelve years. He is a man about forty-five years of age and served as a private. His discharges give him a good character and show that he must have had some money, having drawn \$313.18 a week ago, but he must have been robbed as he had only \$1.20. No relatives can be located thus far.

A Successful Fair. The Catholic Girls' Club opened its fair at the Lloyd opera house last evening and the opening night was certainly most successful. A splendid chicken supper was served at 5:30 o'clock and the patronage was such as to keep the tables filled until after seven. The hall is prettily arranged with booths in which are sold many articles of fancy work, the display in this line being especially large and handsome. In other booths a large variety of goods and wares are offered. Many entertaining features are introduced, some of which are quite novel and excite much merriment. There is also a fish pond, a duck pond with live ducks, and of course there are a lot of sweet and pretty girls who sell chances on articles of merit. Dancing is held after nine o'clock, and during the dancing hours refreshments are sold.

The probable object of the girls' fair is to earn money, and the enthusiasm which they display in the work is evidence that they will be highly successful in attaining the desired result.

The fair will continue tonight and promises to be more interesting than last night. Attend and have your share of the pleasure.

LET THE WOMAN VOTE URGES HON. ALDRICH

MANY STATE ISSUES OF IMPORTANCE DISCUSSED LAST EVENING

Gives Statistics Concerning Present Administration Which Would Show It To Be Extravagant.

Over two hundred men and women gathered last evening on the court house lawn to hear Ex-Governor Aldrich speak upon the political issues of the day. The speaker was introduced by Attorney P. R. Halligan, republican candidate for county attorney and gave an interesting and instructive address of about an hour's duration during which he had the undivided attention of the audience.

He opened his address with an appeal for woman suffrage or the granting of equal rights to all citizens. He appealed to the men by stating that women were taking the lead in the important doings of our nation such as christianity and education. "Christianity without education would be fanaticism," stated Mr. Aldrich. "The women are taking the lead in these two important fields of work and the question arises why should they not be allowed to take part in all political issues?"

He then took up the other issues of the day and stated that the strong appeal made by a recent speaker here for endorsing the present federal administration by electing the democratic candidates was all "bally rot." He stated that the state government was the one nearest our hearts and that we should stand for good, clean state government. That the state democrats and the national democrats were political enemies. He took up different candidates and discussed them and regarding them he said, "Do not vote for a man because he is a democrat or because he is a republican, but vote for a man and a patriot; one who has moral stamina to stand alone if he is right."

He then gave some statistics regarding the present "business" administration and showed that the democratic administration has made appropriations exceeding the last republican legislature by about \$4,000,000.00. "Here are some of them: Sergeant at arms \$1,083; gate and door keepers (two gates) \$1,774; pages, \$1,203; custodians \$7,339. The governor either didn't know or didn't care where this money was being expended, or he was afraid to use his veto on the appropriations. Do you want to put a man like that back in office, or would you not rather vote for a business man who has been tested and tried and found to be a man of ability and discretion, as well as economical?"

Governor Aldrich left this morning for Bridgeport, Mitchell and Scotts Bluff where he will speak this afternoon and evening. Yesterday afternoon he and a party of men from here went to Maxwell and held a fine meeting.

Mr. and Mrs. C. T. Whelan entertained at a dinner party Saturday evening on the occasion of Mr. Whelan's birth anniversary. Covers were laid for ten men and a splendid menu was served. The dinner was somewhat of a surprise to Mr. Whelan, as he had not been informed of his wife's intentions.

Mrs. M. Keith Neville entertained the members of the Saturday afternoon bridge club with a few guests Saturday afternoon in favor of Mrs. Fred Garlow. Four tables were placed for the games, following which an elaborate luncheon was served. The ladies found their places by Hallows-e'en place cards, one large and one small table being used to seat them and these were attractively decorated with chrysanthemums and shaded lighted candles, the color scheme being carried out in yellow. Mrs. Garlow of Cody, Wyo., Mrs. Fred Weingand of Omaha, Miss Warron of Tampa, and Miss Fern Griffin of Denver, were out-of-town guests.

Fine Sand Hill Potatoes. James Hutchea, residing in the sand hill country north of this city, came into the city yesterday morning from his farm with a wagonload of some of the finest potatoes that have ever been brought into this city. They were raised on his own place and he has a lot of them. Some of the potatoes are seven or eight inches long and they are good, solid potatoes. He sold them to T. J. Baldock & Son of this city and they pronounce them better than most of the potatoes shipped in.

NORTH PLATTE WINS FROM GOTHENBURG; SCORE 27 TO 0

The North Platte high school eleven won from the Gothenburg boys Saturday afternoon at Gothenburg by the one-sided score of 27 to 0. The game was easily won and the opposing team at no time had the ball nearer than thirty-yards to the North Platte goal.

The locals scored touchdowns and Louden kicked three goals. The fourth kick struck the goal posts and for that reason did not go through. One kick was a very difficult one being made from a close angle. The goals were made one in the second, two in the third and one in the fourth periods. Kelly went over the line for two, Cool for one and Louden for one.

The local boys by far outplayed the Gothenburg men. Although the other boys put up a fair defense when the ball was near their goal, they could not make consistent gains through the North Platte line. This is the first game where open plays could really be tested out and they were used with great effect. Cool and Louden starting with them and Kelly and Hoxie in the old style plays. All the boys played good ball and they look like good material to go against any high school team in the state.

The locals will play the Lexington eleven at Lexington next Friday, according to a long distance telephone call received yesterday afternoon by Supt. Tout. The officials in the game Saturday were Jack Temple of Gothenburg, referee, Vance of Kearney, umpire, and Gelywick head linesman.
