OMAHA TEAM DEFEATS LOCALS
BY A SCORE OF 14 TO 6.

In the fastest game of the season on the local gridiron the Omaha high school pigskin chaser defeated the local eleven by the score of 14 to 6. The game was a fight from beginning to end and the visitors were very much surprised when they found that they could not go through the locals at will as they had anticipated. They had boasted that the score would be sixty to nothing.

In the first quarter the local boys were a trifle nervous and played the poorest of any time in the game. They however held the visitors down to no score.

The ball at one time was near their goal line, but they held the other for downs. In the second quarter Omaha scored a touchdown but failed to kick goal. The ball was put in play again and the locals went down the field on line plunges by Kelly and Hoxie and wide end runs by Loudon and Cool and Cool carried the ball over the line. Loudon missed the goal.

In the third quarter the ball was in play near the Omaha goal and on a bad pass Bogie fumbled allowing a safety for the Omahans, giving them a lead of two. In the fourth quarter the locals had the ball near their goal when a fumble cost them the game. Otherwise they would undoubtedly have scored as they were plowing gains.

Omaha got the ball then and with a few good fake plays made big gains and finally succeeded in scoring another touchdown. They again failed to make the kick, leaving the score 14 to 6.

All the local boys played well, no one being out of more praise than another. It was a hard scrap and lost game against a team that outweighed them several pounds to be man. For the visitors Lutes, Johnson and Wilson starred. The officials were Waugh of Lincoln, referee, Caldwell of Omaha, umpire, Orr head linesman and time-keeper. Omaha was penalized thirty-five yards and North Platte none.

Death of James H. Turpie.

The Columbus, Ohio Dispatch of November 7th, contained the following notice of the death of James H. Turpie, formerly of this city.

"James H. Turpie, aged 43 a real estate dealer, died at his home at 1963 east Main street, Friday night, from paralysis, after a three months' illness. Mr. Turpie, who was well known and highly esteemed in business circles, was born in Indiana and lived for some time in Nebraska, where he was a rancher on quite an extensive scale. He was a graduate of Ohio State university.

He is survived by his wife, who was Miss Ada Kuckon of North Platte, Neb.; two daughters, Mary Christine, aged five, and Ruth, aged two; one sister, Mrs. Charles W. Schwartz, of Wesley avenue; a half brother, Steubert Turpie, and his step-mother, Mrs. Mabel W. Turpie, all of Columbus.

Funeral services will be held Monday afternoon at 2 o'clock at Christ church in Bexley, with burial in Union cemetery, in charge of the H. A. Fletcher Co.

Accused With Absconding

Two suits were filed in the county court Saturday against Lloyd Powers and Doc Powers, known as the Maxwell Garage at Wallace. The suits were filed by the Hendy-Ogier Auto company and by William Horner, and are for the collection of money alleged to be due from the defendants.

The Hendy-Ogier company alleges that there is due them the sum of \$69.38 for goods and supplies purchased by defendant from them. That no part of the amount has been paid and that defendant have already sold their goods and converted them into money or that they will do so, with the intent to defraud and abscond.

Mr. Horner alleges that there is due him the sum of \$191.50 for rent of the building which they occupy, for money loaned and for items, none of which have been paid. That defendant have neglected and refused to pay the amount and that they are attempting to defraud. In both cases the plaintiffs filed bonds for damages.

John Wing Contests Election.

John Wing of Hall precinct filed suit in the county court last week against Charles Robinson to contest the election of road overseer in that precinct on November 3rd. In his petition he alleges that at the recent election Robinson was declared elected by the vote of 17 to 16. He alleges that the judges and clerks of election in that precinct gave in wrong returns with the intention of electing Robinson and that Robinson did not get to exceed sixteen votes while he got at least seventeen. He asks that the ballot boxes and books be opened in court and an inspection of the ballots and a new count be made. He also asks for costs of the proceedings.

Dogs Capture Another Coyote.

M. S. Rebhausen and Jack Crow of the Rebhausen barber shop were called out to the home of Mr. Workman on the old Watts ranch Friday afternoon with their dogs on the report that a coyote had been seen out there. They left the city in O. H. Thoelecke's car with the five dogs and drove to the ranch and in forty minutes they had made a fine race of a little over a mile and caught the coyote and killed it. This is the second one they have killed in less than a week. All farmers are asked to telephone into this city to the Rebhausen shop if they see coyotes and the dogs will be taken out.

LOCAL AND PERSONAL

Who got "Tiley's Goat?"

A number of people from this city attended a dance at Ralph Merritt's, near Stapleton, Saturday night.

Mrs. John Show of Hershey was visiting friends and shopping in the city Saturday.

Dr. J. S. Twinem was called to Sutherland Saturday on professional business.

A son was born Thursday night to Mr. and Mrs. George Wilson of the Hershey vicinity.

Miss Bertha Johnson of Hershey was visiting friends in the city Saturday and Sunday.

J. E. Hughes of Kansas City arrived in the city Saturday morning and spent Sunday visiting friends here.

Hugh Merritt returned home Saturday from his farm in Logan county, where he has been spending the past month.

Mr. Hare, special agent and adjuster for the Union Fire Insurance Co., of Lincoln, returned to his home at Lincoln Friday. While here he was the guest of J. C. Askwig.

A number of hunters went out Sunday to hunt geese and all brought in varied reports. Some reported a good flight of geese and ducks and others reported that few were flying. Several went up in the Paxton vicinity where they reported the geese and ducks flying thick.

F. H. Woodgate is reported quite ill with pneumonia at his home on east F street.

Dick Ross left this week for the west to spend several months on a trip. He expects to travel all through the west.

Mrs. Wilfred Stuart of Lexington arrived in the city Saturday morning to visit over Sunday with relatives and friends.

E. H. Kendall, reporter for The Telegraph, returned to work yesterday morning after being absent for several weeks on a vacation and on account of illness.

Rev. "Kid" Wedge, who was to have fought here last evening had the authorities not quered his little game, left Saturday morning for Sidney where he expects to stage a match.

Mrs. Louis Meyers of the Wellfleet vicinity arrived in the city Saturday to visit for two weeks with her brother-in-law, A. N. Durbin, and family. She will also take medical treatment while here.

Will Hold Meetings in Sutherland
H. G. Knowles, pastor of the Christian church of this city, will open a series of evangelistic meetings at Sutherland next week. He expects to hold meetings there for about a month and following the meetings the new church will be dedicated.

The Christian church was started there about two years ago by Mr. Knowles and since that time it has

had a rapid growth. Last spring work was begun on a new church building and last week they finished a new \$3,500 structure which will be dedicated following the meetings. They already have a good membership and they hope to build up a much larger one. Meetings have been going on in the building all summer every Sunday afternoon. Mr. Knowles is coming over from here each Sunday afternoon to hold services. During the series of meetings there he will preach here every Sunday afternoon at 4 o'clock.

The Sutherland Corn Show

The Corn Show and Farmers' Institute held at Sutherland November 10th and 11th was well attended both days. The fine weather brought many people in town. The remark was heard on all sides "this is just like a Fourth of July gathering," only a meeting like this does a community more good.

The speakers sent out by the state, two gentlemen and a lady, made good and interesting talks on their chosen subjects pertaining to the farm, dairy and cooking. We are in hopes our good wives will use some of the recipes given by Miss Rohard to build up waste tissue of some of our good townsmen—Fred Myers G. C. White, Art Yates, Clarence Law and a number of others the writer could mention are in sore need of tissue building material.

The dairy talk was good and to the point.

Mr. Hull spoke at length on keeping our boys on the farm at home and not

letting them drift into the city simply to get a "job." We hope many of the boys who hear him as he goes over the state may heed his warning.

The fair part of our two days attraction was very good. We people at Sutherland are rather proud of our town and when we see how progressive our farmers are in the surrounding country we are doubly proud of them. The horses, mules, cattle and sheep shown were good. One could not help but feel proud that we could bring out so many good animals, and we people in the west end of the county have

enough egotism about us to think that we raise some of the best fruit in the county and Mr. Editor could you have been at our fair you would surely have had to agree with us.

The display of farm products and fancy work was well represented. The number of chickens on exhibition was something to talk about—so many of them—which showed that our wives are doing their part to keep the wolf from the door.

Everything was pulled off in harmony, and a unanimous vote given for a fair again next year. J. M. S.

A Lesson
in
Economy

SOME one has said, and wisely, that economy is the greatest of all virtues. That the man who saves is the man worth while today. To save is to buy when you can buy the cheapest, to always get the maximum value for your money.

There are many ways of saving, but CO-OPERATION is the SUREST and most EFFECTIVE means of great sums to a great many. Individually, your purchasing power is a weak leverage, united with many others it assumes a MIGHTY FORCE in hammering down prices.

So it is that the Co-operation of hundreds of piano and player purchasers will make the buying of your piano not only easy, but will bring the prices tumbling down to such an extent that no man can afford to longer deprive his family the pleasures of music.

To sell in six weeks as many instruments as we would sell by the old, expensive method in six months is the task we have set before us.

The SAVING in the FACTORY COST to us, plus the still greater SAVING in the SELLING COST by means of this big CO-OPERATIVE FAMILY of piano purchasers, all united for a common cause, enables us to reduce the prices and terms on these high grade, standard makes to STARTLINGLY LOW FIGURES.

The scheme is a daring one as it is upsetting all piano traditions, but we are in it now and judging from the manner in which eager purchasers are crowding our warerooms we have SOLVED THE PROBLEM of high cost of good pianos.

It is your duty, Mr. Man, to join this Co-operative Family of piano purchasers and save some real money. Investigate at least, no trouble to show you and you are not obliged to buy.

The many other benefits to which you are entitled do not cost you one cent extra. Your piano or player will be delivered immediately upon paying your first down payment, the balance easy monthly or weekly installments.

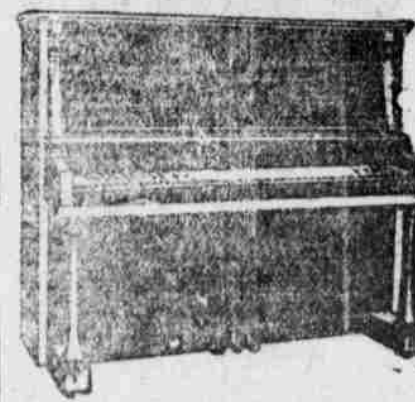

A FEW of the many wonderful Piano and Player bargains to be had here. By purchasing now you save many dollars, get the maximum of value and many other benefits
