A large number celebrated Christmas skating on the south river and all seemingly enjoyed it very much. The continued cold weather has frozen the river over quite solidly although some of the more venturesome found places where the water would come up through the ice. This writer has seen much better skating in many respects, but the skating on the south river was good enough to allow the proper celebration of the Yuletide festival day.

County Pioneer Passes Away.

Mrs. J. J. Meyers, for forty-three years a resident of this county, passed away Thursday afternoon at 2:15 at her home at 402 east Sixth street. She was seventy-four years, ten months and nine days of age at the time of her death, which was due to general debility. She had suffered ill health for the past fifteen years and gradually sank away.

Sarah Jane Soary was born in Herkimer county, New York, February 15, 1840. On her seventeenth birthday anniversary, February 15, 1857, she was married to Jacob J. Meyers. They lived in New York until the time of the civil war when Mr. Meyers enlisted with the federal forces. After the war they removed to Shiawassee county, Michigan, where they lived four years, coming to North Platte in the fall of 1871. In the spring of 1872 they moved on a homestead near Gannett where they lived until 1895 when Mrs. Meyers' health failed and they moved to North Platte.

Mr. Meyers died a little over two years ago. Mrs. Meyers leaves to mourn her demise one brother, four children, sixteen grand children and seven great grand children. The children are E. S. Meyers, of Ft. Worth, Texas, Mrs. John Beans of Cozad, Mrs. J. G. Rowley of North Platte and W. R. Meyers of Colorado.

Through all her life Mrs. Meyers was a devoted wife, mother and friend. Coming to the west in an early day she bravely bore the privations, dangers and hardships of a pioneer. Early in life she accepted Christ and she lived a consistent, devoted Christian life, ministering to the poor and needy. Many years ago she united with the Seventh Day Adventist church and was an active member of that body as long as her health would permit.

The funeral was held Sunday afternoon at 2:30 from the Seventh Day Adventist church in the Fourth ward. Interment was in the North Platte cemetery.

O'Connell Denied New Trial.

M. J. O'Connell was denied a new trial Saturday morning in the district court. The motion was filed immediately after his trial the first of the month and was argued Saturday morning by Attorneys W. V. Hoagland and G. N. Gibbs. The motion was overruled.

Notice of appeal was at once given by the attorney for the defendant and O'Connell was remanded to the custody of the sheriff but is not confined to jail.

The main argument for a new trial was the non-resident juror, H. A. Weil, who sat on the jury. Evidence was introduced that he was a non-resident but the county attorney cited Nebraska court decisions where a juror was legal if accepted by the court and the attorneys for both sides. In selecting and accepting the jurors the attorneys waived the right to ask for new trial on the grounds that a juror is a non-resident.

Some Injured at Ice House.

Five injuries were reported at the ice house on Saturday, none of them of a serious nature. Clifford Baldwin suffered a slight injury that laid him off for several days when a cake of ice fell on his right foot, crushing it severely. Larkin Cecil also dropped a cake of ice on his foot and crushed it quite badly. He was laid up only a short time.

O. H. Otterbeck was the most seriously injured. He worked as an edger in the house and got his hand crushed between two cakes of ice. He will be laid up for some time as the bones were crushed somewhat. Lester Louis washed his thumb between a brake staff and Jim Louis fell and sprained his wrist.

The largest attendance in the history of the local order was reported present at the Knights Templar annual Christmas observance which was held at eleven o'clock Friday morning at the Masonic temple. The services were impressive and were much enjoyed by those present.

According to their custom the Knights Templar all over the land celebrated Christmas with their annual observance ceremonies. These are followed out wherever there is a Knights Templar lodge and the services are of a nature to inspire the Christmas spirit.

Former Resident Dies.

Word was received here Saturday morning announcing the death of Dave Robinson which occurred Wednesday in Douglas, Arizona. Mr. Robinson was an old machinist in this city and will be remembered by the older residents as a jolly good fellow. He left this city about twenty years ago and settled in Douglas. He was a member of the Woodmen of the World here. No particulars of the death were learned.

Why It Succeeds

Because It's For One Thing Only, North People Appreciate This. Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills are for one thing only.

For weak or disordered kidneys. Here is North Platte evidence to prove their worth. W. F. Blalock, North Platte, says: "I had an awful heavy ache across my loins which seemed to take every bit of strength from me. My back was weak and I was so lame that I could hardly stand erect. The kidney secretions seemed to get more disordered as the pain in my back increased and they were unnatural and too frequent in passage. I was advised to try Doan's Kidney Pills and got a box. They cured me of the complaint and I have been well since."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Blalock had. Foster-Milburn Co., Prop., Buffalo, New York.

Forger Pleads Guilty.

Clarence McAtee, the young man arrested last week on the charge of forging checks on the different business houses, pleaded guilty to the charge Thursday afternoon in Justice Sullivan's court. He was bound over to the district court where he claims that he will again plead guilty.

While McAtee claims to remember nothing about writing the checks he evidently knows that he is rather deep in the mire and for that reason he decided to plead guilty. The case against him is so strong that he would have no chance to prove his innocence. He has acknowledged having written the checks as well as having been

identified by the men upon whom he passed the spurious paper. The sentence for this crime is from one to ten years in the state penitentiary, an indeterminate sentence.

McAtee appeared before Judge Grimes Saturday and entered a plea of guilty to forging a check for fifteen dollars on Harcourt & Jensen and was sentenced to from one to twenty years in the penitentiary. In addition to this the court fined him five hundred dollars. He will be taken to the penitentiary some time this week.

Deputy Sheriff Wilson spent Saturday in Sutherland on official business.

Takes Acid by Mistake.

As a result of taking sulphuric acid Thursday night Mrs. August Kosbau, residing at 903 west Sixth street, is quite seriously ill.

Mrs. Kosbau has been slightly ailing for several days and she got up Thursday night during the night to take some medicine. By mistake she got hold of a bottle containing sulphuric acid and she took nearly an ounce of it.

Realizing her mistake she aroused the family and medical aid was summoned. The doctor worked over her for some time and she is now reported getting along as well as could be expected. She is, however, in a crit-

ical condition and will probably be ill for some time.

W. A. Smith, employed at the Pass green houses, left Friday for his home in Torrington, Wyo., where he will spend several days visiting his parents.
