NORTH PLATTE, NEB., APRIL 6, 1915.

No. 22

CITY AND COUNTY NEWS

Attorney Albert Muldoon leaves tomorrow for Arthur to attend to some legal matters.

Sheriff A. J. Salisbury left this morning for the Myrtle vicinity to serve some replevin papers.

County Attorney Geo. N. Gibbs will leave tomorrow morning for Paxton to look after some legal matters.

W. H. Hogg left Sunday for his home in No Wood, Wyoming, after spending a week here on business.

Mrs. William Beatty and daughter, of Brady Island, were visiting in the city yesterday with friends, and shopping.

Bratt & Goodman have another good hill section of land, only 12 miles from North Platte to trade for city property.

Attorneys J. S. and W. V. Hoagland returned last evening from Grandy where they spent the day looking after some legal matters.

This morning dawned with an April shower, which has continued in a desultory manner up to the time of going to press. It will have a tendency to further lighten the vote in the election, which at best would be less than usual.

Mrs. H. F. Glover, of Grand Island, passed through the city yesterday afternoon enroute to San Francisco to attend the exposition. Mrs. Glover formerly lived in this city but moved with her husband to Grand Island a few months ago.

Up to 10:30 this forenoon no activity whatever was shown in the election, and it is predicted that a light vote will be cast. Usually the "wet" faction organizes to get out the vote, but in this election no such attempt has been made. The "drys" have made a rather active campaign in at least two of the wards, and today they feel confident of winning.

Maurice Fowler, of Grand Island, formerly of this city, arrived in town last evening to spend a few days buying horses. He has just returned from the eastern markets and states that horses are not selling for a very high price except the ones that will do for war service. The European countries are very particular about the horses they buy and only the best ones are accepted and these bring a good price.

Mrs. C. M. Reynolds very pleasantly entertained yesterday afternoon at a birthday party for her son, Charles, Jr., who celebrated his third birthday anniversary. Twenty-four little folks were present and the afternoon was enjoyably spent with various games. The party was an Easter affair and the games were in keeping with the season. Each of the little folks was given an individual birthday cake. Charles Jr. was the recipient of many nice gifts.

ALL NORTH PLATTE TEACHERS RE-ELECTED FOR NEXT YEAR

At a meeting of the board of education last evening all the teachers now employed in the grades and high school of the city schools were re-elected for the coming year. This is the first time in the history of North Platte that this has been done and speaks well for the teaching force.

There are thirty-eight teachers employed in the city schools and by the action of the board they are all approved as proficient. The teaching force here is the envy of many of the schools in this part of the state and is an example of efficiency in all departments. The high school teachers will retain their positions in their several departments and the grade teachers will be assigned to their rooms later.

At the board meeting last evening much routine business was taken up and the meeting held until a late hour.

The board meeting last evening took up the matter of the new high school building and after some discussion it was decided to let it stand as it is until a later meeting. A special meeting will be called this week to take it up and decide definitely just what will be done. The need of more room is made more evident each day on account of the crowded condition and it is up to the people of North Platte to see to it that this evident need is met.

Ford Distribution of \$15,000,000 Purchasers Seems Assured

Positive announcement that the Ford Motor Co., of Detroit, will surely make and sell 300,000 cars for the year ending on the first of Next August is made in the Detroit newspapers this week. This will mean the distribution of about \$15,000,000 as rebates to those who purchased new Ford cars during the year.

F. W. Rincker Loses Brother

F. W. Rincker received a telegram last night announcing the death of his brother, William Rincker, at St. Paul, Neb. The deceased had been sick for some time, and a couple of weeks ago Mr. Rincker was called to the bedside of the sick man because it was believed death was near. Mr. Rincker left for St. Paul this morning and will accompany the remains to Colfax, Ill., the old home of the Rincker family.

No circuses will be permitted to play Wyoming stands this year under the state veterinarian's interpretation of Governor Kendrick's recent rigid quarantine order which is intended to keep foot and mouth disease out of the state. The first show to feel the effects of the quarantine is A. G. Barnes' Wild Animal show, which has been forbidden to enter the state and which, in consequence, is rearranging its summer itinerary.

Firemen's Ball Largely Attended

The Twentieth-annual Ball of the city fire department held at the Lloyd opera house last evening, was attended by a large crowd of dancers as well as spectators. During the concert of five numbers given by the Stamp Orchestra, the gallery was packed to more than its seating capacity. This concert, so well rendered, was a feature of the evening. As soon as the program ended, the first dance was called, but only a few couples responded, but by the time of the second dance the floor was well filled, and before ten o'clock the dance was in full swing with the floor crowded to its utmost capacity.

The attendants were among the best dancers of the city, everything was conducted with the greatest decorum, the music was of high order, and under these conditions every participant had an evening replete with pleasure. The large crowd of spectators evidently enjoyed the affair as much as the dancers, for a large part of them remained until midnight.

At twelve o'clock an hour's intermission for lunch was taken, and while the attendance after supper was not so large as before, yet the floor was well filled. The final dance was ended at 3:30 o'clock this morning.

The ball was certainly a most successful one, and the committees in charge certainly gave their patrons a full return for their money.

To Organize Camp of American Legion

Commander Leonard Robinson of the local Spanish American War Veterans has received instructions accompanied by the necessary blanks to form a camp of the American Legion in this city.

This organization is to be something in the nature of the German Reservists and will be made up of all men who have seen military service since the beginning of the Spanish American war. All men who have seen either active service or have been a member of the state militia, in the marine service or in any military body are eligible to membership.

The movement is fostered by Col. Theodore Roosevelt and it is his intention to keep a card index of every man who has seen service and give his capabilities for reference in case of war. The matter will be taken up here and it is hoped that a good organization will result.

Federal Prisoner to Plead Guilty

Daniel Mada, arrested at Valentine three months ago on the charge of sending obscene literature through the mails, will plead guilty this week in the federal court at Omaha according to statements made by himself today.

Mada was arrested by the federal authorities and brought here where he has been held for some time. United States Marshal Sammons, of Kearney, arrived in the city last evening and returned this morning to Omaha, taking Mada with him for appearance before the federal court.

Willard Knocks Out Johnson

At Havana, Cuba, yesterday Jess Willard, the Kansas cowboy, knocked out the colored champion Jack Johnson in the twenty-sixth round. For twenty rounds Johnson punched and pounded Willard at will, but his blows lacked steam, and instead of disconcerting Willard only caused him to smile. As the rounds progressed Johnson grew weaker. In the twenty-fifth round Willard landed one of his windmill smashes to Johnson's heart, and this was the beginning of the end. When this round closed, Johnson sent word to his wife that he was all in and told her to start home. She was on the way out and was passing the ring in the twenty-sixth round when a stinging left to the body and a cyclone right to the jaw caused Johnson to crumple to the floor where he lay until the referee counted him out.

Killed at Gothenburg.

About two o'clock yesterday morning the Union Pacific operator at Gothenburg found the body of a man, aged twenty-eight years, lying between the east and west bound tracks. The top of his head was badly crushed. The body was found about 150 feet west of the depot. No one at Gothenburg remembered seeing the man there and how he was killed or happened to be there is not known. Letters on his person indicate that his name is George Bryant. A letter was addressed to him at Osceola, Mo. The remains were turned over to the coroner who will make an effort to secure further information about the man.
