JITNEY BUS SERVICE IS STARTED THIS MORNING

North Platte now has jitney bus service all over the city. The service was started this morning by the Hendy-Ogier garage with two cars traveling in all parts of the city at short intervals.

This service is something that has been long needed in the city and will give the same service as street cars with the same expense. The cars are run on every street and no one needs to walk more than a block to get a car and go to any part of the city. The service starts at 6:30 in the morning and runs until 9:30 in the evening.

Mr. Hendy stated this morning that the experiment would be tried out for a time and if the people want it it will be made permanent. It is up to the people to lend their patronage if they wish the service to continue. It will be at the disposal of the public in all kinds of weather if made a success.

The cars run on Sixth street east and west and on every second street south, making them run on each street of an even number. Trips are also made to the north side at hours when the traffic will be most needed. A schedule of the service telling where certain stops will be made and where the cars start will be issued. There is no reason why North Platte should not support an enterprise of this nature and it is up to the people to do so if they want the service.

Veterans Give Successful Dance.

The first annual ball which was given by the United Spanish War Veterans last evening was successful in every particular. A large number attended and a pleasant evening was enjoyed. The music by Stamp's orchestra was pronounced exceptionally good by all the dancers.

The hall was beautifully and appropriately decorated with flags and pictures of great patriots. Red, white and blue electric lights and beautiful chandeliers furnished by the Electrical Supply Company, also added much to the decorations. At 8:30 the concert by the orchestra began. A nice program was rendered, one of the numbers being a medley of patriotic and old home songs. The final number of the concert was "The Star Spangled Banner" and as it was played five large flags were hoisted, amidst much cheering and hand-clapping.

The first dance was then announced and after it programs appropriate to a veterans' dance were distributed. In one corner of the hall was the punch bowl presided over by Wm. R. Hodshire. Dancing was indulged in until after one o'clock and following that supper was served at the Vienna Cafe. During the course of the evening's dancing A. W. Shilling made the announcement to the effect that while this was the first ball given by the veterans they expected hereafter to make it an annual affair. Taken altogether the affair was enjoyable.

Entertained at a Stag Dinner.

C. F. Temple very pleasantly entertained at a stag dinner party at his home last evening at 7:30. Mrs. Temple served a most enjoyable menu in five courses on a table handsomely decorated with cut flowers. Covers were laid for Messrs. Temple, Elder, Evans, Keefe, Fristo, Sturges, Healey, Cochran, Landgraf and Bare, a "bunch" of fellows who largely "live to eat" and therefore thoroughly appreciated the courtesy of the host and the excellent dinner served by Mrs. Temple. Following dinner a couple of hours were enjoyed in smoking and social converse. An affair of this kind proves an oasis in the desert of life and makes life worth living.

EIGHT PER CENT INTEREST

We are investing a good deal of money these days in gilt edged mortgages on improved farms and ranches so as to net the lender eight per cent. If you have idle funds or money not bringing you that much come and see us about it.

Many Fish Frozen to Death

Over three thousand bass are estimated frozen to death in the Liston lake in the Dickens vicinity. Attorney Albert Muldoon was visiting at the lake this week and states that it is amazing how many fish froze to death during the winter. They are lying along the shore of the lake in large piles.

Despite the large number frozen to death there are still a good many in the lake and fishing there this summer will probably be up to the Liston standard.

Miss Brock, of Fairbury, is the guest of her brother H. C. Brock and family.

Chas. Martini, who of late has been living in Omaha, is in town making arrangements to move his family back to North Platte. He will continue his work as a commercial traveler with this city as his headquarters.

Our people generally regret to learn that J. A. Rannie, one of our oldest and most respected citizens, is suffering from a severe mental trouble that places him in a pitiful condition, with but little hope of improvement.

The official Russian figures show a loss of 71,608 officers since the beginning of the war, but the total loss of privates is not given. The loss of men in the Carpathian passes alone exceeds half a million.

Married Last Evening

A quiet home wedding occurred at eight o'clock last evening at the home of Mr. and Mrs. W. W. Birge on west Fifth street when their daughter Alice became the bride of Bert Barber. Rev. J. C. Christie officiated as clergyman, and other than Margaret Walker, as flower girl, the couple was unattended, the lack of a more pretentious wedding being due to the physical condition of Mrs. Birge. The wedding march was played by Miss Florence McKay, and during its rendition the couple entered the room where the vows were taken in the presence of only members of the two families. Room decorations were white carnations, ferns and potted plants, the color scheme of green and white being carried out.

The bride was handsomely gowned in white satin trimmed in real lace, and the veil was held in place by orange blossoms worn by the bride's mother at her wedding thirty-one years ago. She carried a shower bouquet of Easter lilies, and wore a diamond lavalere, the gift of the groom.

Following the ceremony a reception was held from 8:30 to 10:30 at the home of the groom's parents, Mr. and Mrs. F. H. Barber on west Fourth street, where about 175 invited friends called to extend their best wishes to the bride and groom. The color scheme of green and white was also carried out at this home, the feature of the decorations being a handsomely decorated table in white carnations with garlands of smilax extending from the chandelier. In the receiving line were W. W. Birge, the bride and groom, R. D. Birge, Mr. and Mrs. Barber and Mrs. Flo Hinman. The guests were served with light refreshments by Mrs. Geo. H. Zentmeyer and the Misses Beadie Sallsbury, Mabel Duke, Florence McKay, Aileen Gantt, Alma Morrill, Lucille McFarland, Sybil Gantt and Helen Gleason.

Mr. and Mrs. Barber left on a night train for a visit at the San Diego and San Francisco exhibitions and other cities on the Pacific coast. The bride was born in North Platte, graduated from the high school in 1907, and the local schooling was supplemented by a full course in the state university. She is a member of the Chi Omega sorority. As a girl and as a young lady her bright intellect and cheeriness of disposition made a friend of every acquaintance, and she has always been one of the city's most popular girls.

The groom also graduated from the local school, took a full course in the state agricultural school at Lincoln, and following his graduation went to the Argentine Republic, South America, where for two years he was superintendent of a state experimental station. He returned two weeks ago from Argentine, making the trip via the eastern route through Asia and Europe. He is an exemplary young man and in every way worthy of the splendid young woman he has won as his bride.

Mr. and Mrs. Barber were the recipients of many handsome gifts.

W. R. Maloney was a professional visitor to Hershey yesterday. He was called there by the death of the infant son of Mr. and Mrs. A. D. Shelton. The remains of the child were shipped to Norton, Kansas, last evening where burial will be made.

Mrs. Muchinski and grand daughter left this morning for Omaha where they will make their home in the future. They have been residents of this city for about a year and a half past.

E. Thomas, employed in the railroad shops, leaves this evening for Omaha where he will undergo a major operation. He will be in the St. Joseph's hospital in charge of Dr. Jonas.

J. C. Den and M. F. Hosler arrived home today from Exeter where they had been attending a gun club shoot.

Dodge Bros. Motor Car.

There is a marked absence of vibration in the car, notwithstanding the unusual power of the motor.

There is no "choking" at low speed in high gear, and at full speed, there is scarcely a tremor from the motor. This exceptional smoothness evidences the fine engineering skill that has been employed in manufacturing and assembling the entire power plant. The wheelbase is 110 inches. The price of the car complete in North Platte is

\$835.00

Little Pigs Need Sunshine

U. S. Farmers' Bulletin No. 438 says, "The piggery must have (1) direct sunshine on floor of every pen at farrowing time, (2) fresh air, (3) warmth, (4) freedom from drafts, (5) dryness, and (6) enough space for exercise.

Building Hog Houses Right

makes hog raising more profitable. The notion that anything is good enough for hogs, is out of date. There is no animal on the farm which requires better protection from the cold—nor for which a good bed is more necessary.

Calves and colts have good fur coats to protect them from the cold, but a pig has almost nothing between his skin and the weather.

Come in. We'll help you with your planning. Now is the time to get busy, too.
