

# SPECIAL SALE OF RUGS

## Begins Saturday, May 1st, Closes Saturday, May 8th.

Beginning Saturday we will hold the largest special sale of Rugs ever held in North Platte. We have made a special purchase of standard quality Rugs of one of the largest New York carpet houses at prices that are considerably below the market. We are going to offer these Rugs at prices that will save you money over any price you have ever had. These Rugs are from one of the best known mills in this country and are not seconds or imperfect goods, but every rug is of the highest quality in its grade and perfect in workmanship and color.

Prices do not tell you much without seeing the quality. We have not tried to buy the cheap grades, but the standard medium priced rugs that give you good satisfactory service. In this lot will be three grades of velvets, five grades of Axminsters, two grades of Wiltons and several of Brussels; all in room sizes 7 ft 6 in x 9 ft, 8 ft 3 in x 10 ft 6 in and 9 ft x 12. We will also have a large assortment of small rugs 27x54 inches. We are not quoting prices in this advertisement for the reason that you will have to see the goods themselves to know what the saving will be, but we wish to say that it will pay you to buy your rugs at this sale.

We will have these goods on display in our windows this week and they go on sale Saturday. Be sure and come.

### Let Them Forget.

H. C. Knowles, chairman of the advertising committee for the coming Lowry-Moody evangelistic campaign placed window cards around in the various stores of the city today. Mr. Knowles, in talking with our reporter informed him that a sign had been placed on the walls of the Elk rooming house, where the faces of the evangelists were turned towards room No. 3. Mr. Knowles gives as his reason for so doing, the following. Since five of our well known citizens were recently discovered in this room evidently giving vent to their pious thoughts and natures, and since from all appearances, they were indulging in meditation and plans for boosting the coming meeting when the police broke in, expecting to find a poker game in progress, it is no more than right that the advertising committee place a placard near the trusting place of these gentlemen. It was feared (and to a degree, is yet) that the men might become so absorbed in thought (?) that when the meetings really begin next Sunday night they would fail to remember them. Hence the card conveniently placed as a gentle reminder. It is hoped that all who are likewise interested in the meetings will not forget them when they start up.

Among the business visitors in town yesterday were Chas. Sibley of Fox Creek and Frank Hoy of Garfield.
