Vagaries in Veils for Summertime
 hope that pretty floating vells, will be
numbered among them. Short vells of light net or of supple chifron, that
answer the lightest breeze that blows answer with the stiffest wind, are too
or play wing and too pretty in them-
becoming and selves to be left out of our reckoning.
Just now the face veil of very fine, platin net, in an open meesh, woru with
turbans or sailors, serves to keep the turbans or sainors, serves to keep
hair neat-looking and sometlmes Improve the appearance of the com-
plexion. Unless the skin is very clear and somewhat rosy these face vella
should be chosen in a color or in the very finest and most inconsplic
threads and meshes in black. Certain sthades of gray and grayish
blues and those colors classed as "mode" and fawn color are found to
be most becoming in mesh face vells In the finest weaves they are hardly
discernible, but are found to brighten discernible, but are found to brighten
the complexion mors than black vells. The godet vell, which was intro-
duced with the beginning of the spring
season, promises season, promises well as a vell for
midsumuer. It Is more voluminous than vells of plan or figured net or
even those of lace, which appeared even those of lace, which appeared
last summer, but did not come into
general use. general use.
Two of the bordered veils, bound
with a bias fold of satin, are ppetured
pere, showing a black aet having the
several different ways. Among others,
a large square of the figured net has a circular opening, large enough to
sily over the hat crown. This is is
bound and an elastic cord inserted in the binding, serving to hold the vell
about the crown. bound with a narrow, blas strip of
witite satin and hangs in four points
about the shoulder But the majority of godet vells are
merely stralght lengths of flgured net merely straight engths of tgured net
or tace. hemmed along the straght
edge and gathered on an elastic cord. The other edges are bound with a biaa
fold of satin, llke the binding on the veils shown in the llustration.
Chiffon vells for outing or motor wear have not been changed from
hose worn heretofore. Most of them are about two yards ing and three uarters wide, with hem-stitched hems
n tnch and a half or two taches wice But the wide chiffon, cut in a length suftcient to make $a$ square, and hem JULIA BOTTOMLEY.

ELECTION SCENE IN TOKYO

ILLINOIS WOMAN MAYOR

Mra, A. D. Canfeld, mayor of War
ten, III., ren, In. is the first woman to be
clected to that position in any llitinola
city. She is a widow, seventry cty. She is a widow, seventy-four
years oid and conducts a mllinery
shop. She has promised to put end to pool rooms, gambling and the
Hquor trafic in Warren.

Are There Private Armles?
It is tiegal to have an army of your It is ithegal to have an army of your
own, but the law winks at private
armies in The duke of Atholl had-- or they have now gone to the great war-a pry
vate army of 200 men, and has often provided guards of honor for King
George from thelr ranks. In fact. Queen Victorta once reviewed thls pr
vate army. The duke of Atholl's pro vate army is for its size the finest body
of soldiers in the world, all over six from the fittest of the fit
The duke of Fife also kept a pri. vate army which numbered a hundred
men, who were armed with huge pikes centuries ago.
The Stuart Archers and the Farg harson Clansmen are two other private
armies of which Scotland can he mand
he marduses of Donegal, too, have
