Major Dow Passes Away.

Major Lorenzo H. Dow, for a number of years superintendent of the Ft. McPherson National cemetery, passed away at the government hospital in Washington, D. C., last Sunday and on Tuesday was laid to rest in the beautiful Arlington cemetery near that city where sleep thousands of the nation's defenders.

For a number of months preceding his passing away he was entirely oblivious to surroundings, and to him and his aged wife the silent messenger came as a relief, as there was no comfort in life for him and for nearly a year she who so dearly loved him could not be with him. When the major was transferred from the soldiers' home at Milwaukee to the Washington insane hospital Mrs. Dow remained at Beaver Dam, Wis., and is still making her home there alone.

Major Dow enlisted in the fall of 1892 in Co. D, 19th Wis. Vol. Inf., served three years and re-enlisted in the Veteran Reserve Corps and was mustered out at the close of the war. He was superintendent of four different national cemeteries—at Ft. McPherson, Camp Butler, Fayetteville, Ark., and Culpepper, Va. It was at the latter place that his health failed him and he was taken to the soldier's home at Milwaukee that he might be near his wife. His mind failing, he was taken with others to the government insane asylum at Washington, D. C., last June and where the spirit took its flight last Sunday.

A Memorial.

In memory of Major L. H. Dow, by his comrades of S. A. Douglas Post 69. The members of our Post are sad beyond expression at the loss of our Comrade. His presence was an inspiration to action, to duty, to loyalty. His splendid army record, his long and brilliant career as a public official, his devotion to his family, comrade and friends, mark the true soldier.

We, his comrades, are proud of his record, while we mourn with his loved ones, his passing away. "Earth's bosom holds him in sacred embrace, Nor time nor storm shall his glory efface."

Our sympathy goes out to his beloved wife. To her we send a comrade's devotion.

"May the blessings of earth be her daily crown, And her head nightly rest on a pillow of down."

Resolved, that the foregoing be spread on the records of our Post and a copy sent the bereaved wife.

J. E. EVANS, Post Adjutant, North Platte, Neb., May 20, 1915.

Liberty Bell Over Highway.

Petitions were circulated yesterday asking Mayor Blankenburg, of Philadelphia, to permit the Liberty Bell to be transported to San Francisco in a motor car over the Lincoln Highway instead of by rail. These petitions will be sent in from every town along the highway. It is argued that if sent over the highway millions of people will see this historic bell, while if sent by rail a comparatively small number will have an opportunity to view it. School children in every town and village along the route would see it, and undoubtedly it would tend to arouse patriotism among them. The petitions sent in from here contained the names of four or five hundred pupils of the schools.

Bridge Bids to be Opened Tuesday.

The bids for the construction of the new bridge across the river east of town will be opened this afternoon. Former State Engineer Price arrived yesterday and will submit a bid for a concrete bridge. W. L. Cary representing the Omaha Structural Steel Co. of Omaha, also came in yesterday. Others who will submit bids arrived last night, and it is probable that there will be many bids for both steel and concrete structures. State Engineer Johnson will also be here today to assist in a tabulation of the bids and the awarding of the contract.

At the meeting of the board of directors of the Chamber of Commerce Wednesday evening C. F. Temple was appointed temporary secretary and chairman of the membership committee. An effort will be made this year to increase the membership to 250 or 300. Alliance with but a little more than half the number of voters that North Platte has, enrolled over 300 in its commercial club and pays the secretary of the organization \$1,800 a year. Last year Alliance raised \$6,000 for its publicity fund.
