Trouser Week

May 29th to June 5th

The Greatest Event of the Season for Men

On the above dates we will present the greatest exposition of Men's Trousers ever held in this city.

All the new weaves, new patterns and new models for the Spring and Summer of 1915 are here awaiting your inspection.

Truly the showing is, beyond any doubt, the finest we have ever presented for your consideration.

We want you to see this exhibit of men's high-grade Trousers—see our window display and then come in and look over the wonderful variety of patterns and fabrics. You won't regret it.

The fact that every pair is **Marx Made**

is sufficient guarantee of the best there is in workmanlike fashion.

The makers of **Marx Made Clothes** enjoy national reputation as one of the highest "Class" concerns.

Every single garment is carefully inspected before this factory and is sent to you backed by a double guarantee of ours and the makers'.

Marx Made TROUSERS are the only Trousers made with the "Wunder Waist Band" (patented Dec. 10, 1912.) This device is the greatest single innovation ever introduced in trouser construction. No more torn belt loops; no sagging the belt; no unsightly bulges over the hips. These are some of the things that are eliminated by the "Wunder Band." And What Is Just As Pleasing **THEY COST NO MORE.**

The trustees of the Elks have paved with stone and concrete the private alley in the rear of the building and the vacant lots, will tile and cover over the street ditch on the south side and also make provisions for parking automobiles. This means that the alley will never become a nuisance, that no stagnant water will stand in the street ditch, and that automobilists will comply with the ordinance relating to parking cars. The trustees are setting an example that owners of business blocks might well follow.

MEMORIAL DAY, MAY 31ST.
At Fort McPherson National Cemetery. At 11 a. m. the soldiers' graves will be decorated. Lunch at noon. At 2 p. m. the usual exercises will be held at the rotunda, including prayer, singing, readings and short addresses by Senator Hoagland and A. W. Date of Elks' Picnic Changed.
The date of the annual picnic of the Elks, which will be held at Liston's lake south of Dickens, has been changed from June 13th to June 20th. Some of the members stand in awe of "13" and feared that if the joyous occasion occurred on the 13th a big jinx might be abroad that day.

Basements Filling Up.
The excessive rains of the past two days has created another flood and practically every basement in town is flooded with water. Apparently this trouble will be as vexatious as it was last month; not only vexatious, but a menace to the health of our people. The time has come when some provision must be made for the drainage of the water which comes down from the west and causes the greater part of our trouble. We can't go on forever with disease-breeding basements and pools of water which become stagnant in street ditches and vacant lot ponds.
