Scandalous Stories

It is a source of regret that so much scandal of a personal nature is being carried from tongue to tongue with the tabernacle meetings given as the source of supply. Probably nine-tenths of this gossip has no foundation, nevertheless it has spread to adjoining towns, and each time the stories are repeated they assume a more vivid hue.

Discuss Drainage

At the meeting of the city council Tuesday evening the principal topic of discussion was the drainage proposition, and after a lengthened consideration of the subject, City Engineer McNamara was instructed to make an estimate of the cost of the system of drainage which he thought feasible.

Revival Notes.

Mrs. Moody will address the women of the different churches and societies on Friday afternoon at 2:30 at the Tabernacle.

Mr. Shober will address men and women at a general meeting at 2:30 on Saturday afternoon.

There will be a general program followed on the last Sunday. Services in the tabernacle at 10:30. Meeting for men in the tabernacle and women at the Presbyterian church at 2:30 and the final preaching services at 7:15 on Sunday night.

A splendid audience was in attendance at the tabernacle Wednesday night when Dr. Lowry preached a powerful and instructive sermon on "The Judgment Day." By way of introduction he showed how the Scriptures picture four distinct judgments.

It was this final judgment that Dr. Dr. Lowry spoke of in particular, by Scripture after Scripture, he proved conclusively the doctrine. The certainty of a judgment—the universality of a judgment were clearly upheld by the word of God.

"Men will be judged for the deeds done in the body," said Dr. Lowry. "You may escape punishment here, but your sins will meet you in the Judgment Day over yonder. The secret sins of your life—every idle word you are speaking, all will come back to you."

"Some of you speak idle words of criticism, some of gossip, some speak lightly of God's word—but in whatsoever way you use these idle words now, you may rest assured that God will use them against you in judgment."

"We can all escape that judgment if we but obey the message of Jesus and yield ourselves to Him. The doors are open to all men. Why not flee from the wrath to come?"

Debs Interests Big Audience.

Eugene V. Debs known country-wide as a socialist, lecturer and labor leader, delivered a lecture at the Keith theatre Wednesday evening to an audience that filled the seating capacity, and for an hour and a half held the close attention of his hearers.

The speaker's plea was for an industrial democracy, toward which, he insisted, we are making rapid strides, and that in this event the laborer will at least get a fair proportion of what he produces, which condition does not now exist. To attain the position desired by Mr. Debs means a revolution of our economic conditions, but as he did not advocate harsh measures, it is presumed that the change, should it come, will be gradual, and will come through the ballot in the hands of the workingmen.

Messrs. Patterson and Gale, of the U. P. secret service, were in town yesterday.

The Veterans are Passing.

Lincoln, Neb.—Death's onslaught on ranks of the Grand Army of the Republic in this state during the past decade has taken away 1,343 of the boys who fought for their country during the days of '61 to '65.

The next ten years will likely see a greater decrease in the numbers, and at the end of the period there will probably be only a few of the 3,454 members left. The record in the state offices here shows a decrease of twenty-five posts in the state during the ten years.

The average age of Nebraska Grand Army veterans is 75 years, and many of the old boys are possessed of infirmities which are slowly bringing them to the edge of life.

In 1905 there were 210 Grand Army posts in the state and now there are but 185. The total membership was 4,797 ten years ago, and 3,454 at the present time.

Ship Cattle Direct to Trenches.

Live cattle are being shipped from Chicago to France to furnish the allied armies with beef during the summer campaign. Agents of nine of the large packing companies have been busy for a month buying live stock physically fit to stand a ocean voyage, and as a result the price of this class of cattle has risen \$1 a hundred pounds.

Sixteen hundred live cattle were shipped to Paris a week ago and a consignment of 1,000 was dispatched Wednesday.

Check for Sixty-five Millions.

A check for \$65,000,000 regarded by the New York bankers as the largest ever drawn in this country, was on deposit to the credit of the Pennsylvania Railroad company in a New York bank Wednesday.

It was drawn by Kuhn, Loeb & Co. Tuesday in payment for general mortgage 4 1/2 per cent bonds issued by the railroad company and sold on public subscription after being underwritten by a syndicate formed by the bankers. It was deposited by officials of the Pennsylvania in the bank on which it was drawn.

Notice to Those Who Own or Harbor Dogs.

A dog shall be deemed running at large when off or away from the premises where owned and not within the immediate supervision and control of a person having authority over the same.

I see by the clerk's records there are only eight dogs paid for. The dog catcher is working on the quiet now; but by June 10 there will be a number of catchers who will thin out some of the dog population.

Please be governed accordingly. H. L. BAKER, Chief of Police.
