

## THE JUNE CLEARING SALE

# A T THE LEADER

### Commences on Saturday, June 12th.

Watch Friday's Issue for Particulars.

#### WILL ASK COUNCIL TO CREATE PAVING DISTRICT

The directors of the Chamber of Commerce held a meeting last evening and decided to take the initiative steps toward street paving. To push this matter to a final completion a committee composed of E. F. Seeberger, W. H. McDonald, W. R. Maloney and O. E. Eler was appointed, and the first step that will probably be taken will be to petition the council to vote bonds for paving the street and alley intersections, and at the same time ask the council to create a paving district. This district, as proposed, would include Dewey and Locust streets from Front to Third, and Front, Sixth, Fifth, Fourth and Third from Pine to Locust. The total cost of this work would be in the neighborhood of ninety thousand dollars, about twenty thousand of which would be borne by the city and the remainder by the owners of property abutting on the streets named.

Under the new law a petition for a paving district is not necessary. The council can create a district, and unless a remonstrance is filed by persons owning more than one half of the total feet frontage the district stands. The directors also endorsed the secretary's campaign for membership to the organization, and adopted a graduated scale of membership dues. Business and professional men and men who own property in the business district will pay annual dues of ten dollars; owners of residence property five dollars; those who do not own property and also farmers two dollars.

Other matters pertaining to roads, drainage and railroads were considered, and several committees appointed to look after these matters.

Rolf Halligan returned yesterday from a business trip to Columbus.

The Indian Card club will be entertained by Mrs. Jos. B. Hayes tomorrow afternoon.

The rainfall for the first week of June amounted to one and sixteen hundredths inches. It now looks as though we may have a period of clear and warm weather—at least we hope this may prove true.

#### Attend K. C. Initiation.

About twenty members of the North Platte council of the Knights of Columbus went to Grand Island Sunday to attend an initiation and banquet given by the Grand Island council. The class initiated consisted of thirty-five, and there was a big attendance at both the ceremony and banquet. Among those from North Platte were Rev. Fr. McDaid, W. J. Landgraf, F. J. Doran, F. T. Redmond, Frances Dunn, Ray Tighe, Will Houser, Percy Schott, Will and Francis Norris, Steve and Rob McWilliams.

#### HAIL INSURANCE

Wheat and Rye crops are assured. If not protected from hail damage get one of Bratt & Goodman's dollar for dollar non-contestible policies today. No better nor cheaper policies written. Time or cash payment. No scaling down of honest losses. No wait for the other stock holders to pay up. Many years of faithful service to our Insurance Patrons is the best guarantee of a square deal when insured by BRATT & GOODMAN.

#### Tramp Killed at Odessa.

Last Evening's Kearney Hub:—A man believed to be Frank Berger, of Waldon, N. Y., was killed just east of Overton shortly after the noon hour today. He was struck by No. 6, of the Union Pacific, while walking on the tracks. The man was not instantly killed and a hurried run was made to Kearney after an emergency treatment had been given by the crew. He died as the train passed Watson's Ranch station.

The body of Berger arrived in the city on No. 6, and has been transferred to the Bowers' mortuary. It was found that his injuries, which resulted in his death, consisted of a broken left arm and leg and a contusion of the skull. The skull was not fractured but it is believed that a contusion resulted which proved fatal.

The dead man was believed to have been a tramp.

Miss Nellie Birkinshaw and Mr. Graham Duder were guests of honor at a dinner given by Mrs. E. E. Moody and Mrs. W. B. Brown at the Brown residence Sunday evening. Covers were laid for seven.

#### TABERNACLE MEETINGS CLOSE WITH 592 CONVERSIONS

The tabernacle meetings held under the auspices of the Methodist, Christian, Presbyterian and Baptist churches, and conducted by Evangelist Lowry and helpers, closed Sunday night with a total of 592 conversions, one hundred and one of whom took the stand for a better life Sunday.

The revival attracted large attendance at every meeting during the five weeks, and this, too in face of the fact that upon many days and evenings the weather was rainy and disagreeable.

The expense of the meetings amounted to \$1,800 which sum was met by personal donations, and the subscriptions to Evangelist Lowry, which were asked for at the two meetings held Sunday amounted to \$1,434.

There is no question but that the revival has been of wonderful benefit to North Platte. It has brought within the pale of the church several hundred people and surrounded them with the good influences of a church organization; it re-consecrated many professed christians who had become lukewarm, and the influence for good has gone beyond those directly interested and created a sentiment more favorable to a higher morality. Certainly North Platte will be benefitted by the tabernacle meetings.

Mrs. E. F. Seeberger entertained at a luncheon yesterday at which covers were laid for twelve. Table decorations were red carnations, used as center pieces and placed at each plate. The guests were members of the Saturday Bridge club, and in addition there were present as guests, Mrs. Will Jeffers of Omaha, Mrs. Wernert of Kearney, Mrs. Fred Sawyer of Columbus and Mrs. Fred Warren of Tampa, Florida. Following the luncheon auction bridge was played.

#### FOR QUICK SALE

The corner lot and two houses No. 523 east Fifth and 508 Cottonwood Streets, at low figure and on easy payments. These houses always rented and are a good investment at the price asked. If interested act quickly or they will be sold. See BRATT & GOODMAN.

#### Married This Morning.

Miss Nellie Birkinshaw and Graham Duder were united in marriage at the Episcopal church at ten o'clock this forenoon. Dean Bowker officiating, in the presence of fifty or more invited guests.

The bride was attended by Mrs. Guy Swope as matron and the groom by Mr. Swope. Following the ceremony a reception was held at the home of Mr. and Mrs. Harry Cramer, and at noon Mr. and Mrs. Duder will leave for their future home at Streator, Ill.

Mrs. Duder came here from England about five years ago, to make her home with a brother, but soon after her arrival the brother went west and she has since made her home here. She has been a very popular girl, as is attested by the pre-nuptial functions which have been given in her honor during the past week.

Mr. Duder is a young business man of Streator, and has created a very favorable impression among the North Platte people who met him.

The acquaintanceship which resulted in marriage was made while the two were making their trip from England to this country.

#### FOR RENT

Four or two room steam heated flat, close in, rent reasonable. Houses and nice clean vacant rooms, safe deposit boxes and storage space. BRATT & GOODMAN.

A pleasant reunion of the high school class of 1913 was held at the Iddings residence last evening with Miss Nanine as hostess. Miss Welch, a member of last year's faculty was one of the guests.

Jitney Watch Club— Let us explain.  DIXON, The Jeweler.

The following residences were quarantined for small-pox yesterday: P. L. VanCleave, 1405 west Fourth; Thos. Orton, 209 south Maple; G. G. McKay, 804 west Fifth and Carl McGrew, south Ash.

Mrs. J. H. Scott and two daughters left last evening for Portland, Oregon.

#### Final Assessment on Suburban Ditch.

The board of directors of the Suburban Irrigation District Monday made their annual levies for the payment of the maintenance, interest on bonds, and the balance due upon the principal of the bonds and amounted to what will be equal to \$1.00 per acre, so that after the payment of the taxes next year there will be no more levies made for the payment of interest nor principal of the bonds, as the same will have been paid in full. The secretary made a computation and found that the levies that had been made for the past twenty years, including the one made yesterday, amounted to \$10.95 per acre for the entire period, and that the average levy for the twenty years has been 54 3-4c per acre. Is there any irrigation district that can beat that record?

Dr. Wallingsford, for a year a practicing physician in this city, but who went to Ogalalla a couple of months ago, was tendered the appointment of assistant surgeon in the soldiers' home at Leavenworth, Kan., last week but declined the appointment.

#### Kearney and Columbus Quit.

State league base ball is a thing of the past for Kearney, at least for the present season. The team played their last game at Norfolk Friday, the game scheduled to be played at Columbus on Saturday afternoon being cancelled. Columbus also quit the league thus cutting down the number of cities represented to six. The schedule will be revised to meet the condition which has arisen.

The Kearney team was disbanded. Carrig, Klontz and Campbell landing berths with Norfolk. Vaughn retired to his home as did most of the other players. The salary due them will be taken care of by the association, money being available to meet the greater portion of the outstanding debt of this nature.

Mrs. Frank McFadden, living north of Paxton, is in town visiting friends and transacting business.
