Joy Encounters Bad Roads

Henry B. Joy, president of the Packard Motor Co., and also president of the Lincoln Highway association, who is driving a twin-six Packard car from Detroit to San Francisco, arrived in town Saturday afternoon and after remaining here an hour left for the west. He reached Omaha Tuesday and had been over three days reaching North Platte. On account of the rains the roads the entire distance was in frightful condition and even with the twelve cylinder car he encountered stretches of road that tested the power to its utmost. Not infrequently the wheels sank into the mud up to the hubs. In leaving North Platte for the west Mr. Joy chose to take the road south of the river, expecting to cross over the South Platte at Ogalalla. This is the seventh time Mr. Joy has made the trip over the Lincoln Highway to the coast.

Chas. Rincker left yesterday for Keystone where he will for a time clerk in the Rincker drug store.

A son was born to Mr. and Mrs. O. E. Elder the latter part of last week.

Will Otten, who has a large apiary at the W. E. Parks' farm in Hinman precinct, says that the cold wet weather has proven very disastrous to bees and that a large percentage of them have died from starvation. The lack of sunshine has retarded the bloom of plants, and so much wet weather prevented the bees leaving the hives and obtaining such food as it might be possible for them to secure.

FIRE!
INSURANCE

Don't Blow Your Horn

until you are safe. Don't think yourself safe until you have your property insured against fire. It comes when least expected, and very often the calamity happens to the uninsured. Carelessness is the reason for the Fire Insurance Policy being neglected. Sometimes it is allowed to lapse, and that is the time the policy holder is often caught napping. Insure with me NOW and you will feel on the safe side.
