In the Chamber of Commerce membership campaign one of the most successful workers was Miss Annie Kramph, who was a member of one of the committees. We mention this in part as evidence that the spirit of progress is by means confined to men, and that there are other ladies in North Platte who are at all times willing to "boost" for the good of the town. These ladies will, during the next year, be asked by the board of directors to help in a number of ways. The spirit of municipal progress must permeate every home, and in this get-together movement the boys and girls can play their part.

MRS. WAGNER WINS IN SUIT AGAINST CITY.

The supreme court this week affirmed the finding of the district court in the case of Mrs. Emma Wagner against the city of North Platte. This was a suit for damage for personal injury. In December, 1912, Mrs. Wagner slipped and fell on the icy pavement at the Dickey corner and sustained serious injury. Through her attorney, W. E. Shuman, she presented a claim of \$1,500 to the city council which that body declined to allow. Suit was brought in the district court and Mrs. Wagner obtained a judgment for \$300. The city appealed to the supreme court and the case came up before that court this week for argument. Attorney Shuman appearing for Mrs. Wagner and J. T. Keefe representing the city. The court affirmed the finding of the lower court at the conclusion of the arguments.

Entertain for Mrs. Baker.

Mrs. O'Hare and daughters Misses Anna and Josie entertained yesterday afternoon at the J. B. Murphy home complimentary to Mrs. L. H. Baker, who has been their guest for a week or so. The guests of the afternoon were those who were the more intimate friends of Mrs. Baker when she was a resident of this city, and nearly all of the score present were elderly ladies. This reunion of old friends was a most delightful one and the afternoon was happily spent. A two-course luncheon was served.

Mrs. Baker was one of the pioneers of North Platte, having located here with her husband in 1868, and resided here continuously for nearly forty years. For six or eight years past she has made her home in Omaha the greater part of the time.

Date of Elks' Picnic Changed.

The date for the Elks' picnic has again been changed, this time to June 27th. It was found that Mr. Liston would be away on June 20th, and as a picnic at Liston's without Liston being present would hardly be a picnic the date has been changed to June 27th.

The annual recital of students of the North Platte School of Music will be held this evening at the studio on west Front street. About a score of students will take part in the program, all grades to be represented.
