## Appropriate \$1,500 for County Fair

At a joint meeting of the Chamber of Commerce directors, officers of the county fair and the amusement committee of the fair held Wednesday evening, the amusement features of the fair were considered, and upon motion an appropriation of \$1,500 was made for attractions for the fair and for the expense of taking the county exhibit to the state fair, and for the expense of collecting and preparing the state exhibits.

The entertainment committee has already secured a number of high class attractions for the festival which is to be held as the amusement feature of the county fair, and one of the features will be aeroplane flights for three days. Elmer Coates, a member of the committee went to Omaha yesterday and while there will complete arrangements for the aeroplane exhibitions as well as secure other attractions. The amusement features this fall will be more varied and better than ever before.

The exhibits for the county fair are being collected by a number of those interested and are being prepared by Mr. Gilman, a specialist in that line who is now making his headquarters at the state farm. It is requested that those who have exhibits leave them with Mr. Gilman, and thus assist in making the county exhibit an attractive one, and one that will be worthy of exhibition at the state fair.

Another matter discussed was that of having a permanent exhibit of Lincoln county grains and grasses at the railroad depot. This feature will be taken up with the Union Pacific and the company and the Chamber of Commerce will work together on the proposition. It is believed that such an exhibit would prove an excellent way to advertise the county.

The county fair and fall festival this year will be by far the best ever held and is the duty of every resident of the county to boost it along, for it is not for the benefit of North Platte, any more than it is for the benefit of the whole county.

### Special Train to Ball Game

Arrangements have been made for a special train to Bridgeport next Sunday in order to accommodate those who desire to witness the ball game. The train will leave at 9:30 in the morning and return about eleven at night. The round trip ticket is \$5.20. Up to last evening fifty fans had signified their intention of going and deposited the fare. Others will decide to go, and it is probable a number of passengers will be picked up along the line.

The Bridgeport team is champions of northwest Nebraska, having won eighteen straight games.

### Notice to the Public and My Patrons.

On and after August 1st, 1915, I will be compelled to sell for cash. All customers knowing themselves indebted to me will please call and settle their accounts, as I must have the money. Thanking you for your past patronage, I remain yours very truly,

JULIUS MOGENSEN, North Platte, Neb., July 28th, 1915.

### Vote Bonds for New Building.

The patrons of the O'Fallon school district voted Wednesday to issue bonds in the sum of ten thousand dollars for a new school building, and to the credit of the patrons, the vote was unanimous. Plans for the new building are now being drawn, and when completed bids will at once be asked for the construction of the building. The present school house was erected a number of years ago, and at that time was one of the best school buildings in the valley. It is now inadequate to meet the requirements of the growing population, hence the voting of bonds for a larger and more modern building.
