Leonard Frieburg, of Denver, formerly of this city, came yesterday afternoon to visit his aunt Miss Margaret Frazier.

Mrs. Charles Bennett, of Rock Springs returned this morning after spending a couple of weeks with her sister Mrs. Fred Marti.

John Frazier returned yesterday afternoon from Denver where he purchased a large new taxi which made its appearance on the streets last evening.

Leslie J. Strain, of Lincoln, is visiting Rev. and Mrs. Knowles while enroute from Boulder to Lincoln by auto. The gentlemen were former classmates.

The Lutheran Brotherhood, Aid Society and Girls' Club will be entertained at the Hassell home this evening. Conveyances will be at the parish house not later than 8 o'clock.

Miss Bertha Lawson returned from Toledo, Ia., Sunday where she was called by the death of her grandfather. After a short visit with the home folks she left last night for Bellefourche, S. D., to reside.

The Clyde Lake auto took fire yesterday morning at the ball park. Mr. Lake had been using his car to pull the big roller over the grounds and also in using the drag. A leak in the tank caused it to ignite and the fire company was called. The woodwork and cushions were badly burned.

Charles Lierk was a Sunday visitor in Brady.

Andy Sluder has been appointed as care-taker of the Reynolds building.

Best Flour \$1.55 a sack at R. N. Lamb's.

Mr. and Mrs. Guy Congdon, will visit relatives and friends in town next month, arriving about the fifteenth.

C. C. Hupler left this morning on an auto trip to Denver. He will leave his car there to be varnished and return for it later.

Miss Marjory Russell entertained a number of young friends very pleasantly Saturday evening with games and music. Nice refreshments were served.

Those wishing to form a correct idea of the teachings of Christian Science will have an opportunity to hear a free lecture on Christian Science by Clarence W. Chadwick, C. S. B., of Omaha, Thursday, August 26th, at 8 o'clock at the Christian church.

Earl Drake, formerly of this city, who has been employed at Laramie for two years, resigned there and is spending a few days in town while enroute to Omaha. He intends to enter Creighton college to take up dentistry.

Arthur Hammond has again shown his handiwork in the creation of the battleship North Platte, now displayed in the window of the Huffman cigar store. This war vessel is very complete in every detail, and attracts the attention of every passer by.

Verne Powell, of Ft. Scott, Kans., son of W. R. Powell of this city, arrived here yesterday afternoon from Boston where he has been playing in a large orchestra for some time. He is also a member of the Ft. Scott band in which he plays several instruments.

Edgar Lippold of Falls City, lately discharged from the U. S. army at Honolulu where he had served six years was taken ill with appendicitis on train No. 6 Friday and brought to the City Hospital. Having recovered from the attack he left Sunday evening for home.

The Assembly club was entertained Friday at the home of Mrs. E. M. Smith. Interesting games were played and prizes won by Mrs. Clyde Cook and Mrs. George Mang. An enjoyable lunch was served at the close. The club will meet Aug. 28th with Mrs. Frank Moore, 1002 West Fourth street, assisted by Mrs. Green.

Attached to train No. 14 Sunday evening was a large steel coach on which the windows were closed with heavy iron bars. The inmates are undesirable aliens who are being deported from as far west as California and will be disposed of in New York. Among the thirty who are guarded in the coach were four insane. The expense of the transportation is paid by the government.

Fair Boosters Hold Banquet.
Seventy-five representative citizens of the city and county were present last evening at a banquet held in the big exhibit building on the fair ground, and after partaking of an excellent supper provided by the lady members of the Yeomen lodge, awakened an enthusiasm in the county fair that will be far-reaching and result in effective boosting for the next week.

President Holsticker of the agricultural society, officiated as toastmaster and introduced Secretary Sebastian, Mr. McComb, Mr. Gilman, Mr. Snyder and Mr. Temple, all of whom told of the progress which had been made in arranging for the fair, and each predicted that it would prove a most successful one. Mr. Gilman, who has had much experience in preparing exhibits for county and state fairs in Kansas, Nebraska and South Dakota, said that many of the exhibits which had so far been collected were among the finest he had ever seen. Among the exhibits are 101 varieties of grasses and forage plants, which will make a splendid showing in that particular class.

Mr. Sebastian and other speakers told of the wide-spread interest the farmers of the county were taking in the fair, that they were collecting exhibits of all classes, and that the display of live stock promises to be much larger than in any previous year.

Business men were urged to use their influence with their farmer friends in bringing exhibits, and assist in making the exhibit one that will completely fill the huge building on the grounds. The larger the exhibit the greater will be the variety to choose from in making up the Lincoln county display at the state fair.

From the remarks of the speakers last evening it is evident that the coming fair will be a most creditable one.

Fires Suit for \$30,000 Damages.
Mrs. Elizabeth Danz, widow of the late James Danz and administratrix of his estate, yesterday filed in the district court, through her attorneys W. E. Shuman and Geo. N. Gibbs, a suit against the Union Pacific for damages in the sum of thirty thousand dollars. Charles J. Burke, a contractor of Kearney, is also made a defendant in the case. On the 11th day of July last, James Danz was injured by the overturning of an automobile on the road a short distance west of the cemetery and died four days later. In the petition filed in the suit it is alleged that the accident was due to a mound or ridge of dirt left above a trench which the defendant company and its contractor had dug across the public highway when laying a sewer pipe. It is recited that the mound or ridge was on a turn in the road and could not be seen when approaching from the west, the direction from whence the car in which Danz was riding came, and that the accident which resulted in his death was due to this obstruction in the road.

Learning that such a case would probably be filed it is said the defendant company has already secured the evidence of some thirty or more witnesses, thus fortifying itself for a defense when the case comes up for trial in the district court.

Halligan Applicant for Judge.
John J. Halligan of this city, is an applicant for the federal judgeship, made vacant by the death of the late Wm. H. Munger. We believe that Mr. Halligan is entitled to this appointment by reason of his ability as a lawyer, his standing as one of the leading democrats of the state, his long years of residence in Nebraska, and the further fact that in appointments of this class western Nebraska has not heretofore been recognized. As an attorney Mr. Halligan has a state-wide reputation as an able man, his work and his life during over a quarter of a century's residence in the state has been absolutely clean, and his integrity and fairness has never been questioned. That he has the ability and qualifications that go to make a successful jurist must be admitted by every acquaintance.

The Tribune sincerely hopes that President Wilson will see fit to appoint Mr. Halligan.

Notice to Water Consumers.
During the next few days water will be shut off from two to four hours in various parts of the city while repairs are made to certain fire hydrants. One long blast of the fire whistle will be given about 20 minutes before shutting off water and consumers residing on east Third street or in that part of the city east of Cottonwood street or west of Maple street should draw sufficient water for their needs, as those portions of the city will be the parts chiefly affected.

HERSHEY WELCH, Water Commissioner.

FOR TRADE.

Mrs. John Voseipka will entertain the Et-A-Virp club this afternoon.

Will Gates of New York, who had been visiting Will Waltemath for a couple of weeks left Sunday for Denver.

L. B. Redmond, of the Harcourt & Jensen store has gone on his vacation. He contemplates visiting Curtis and the surrounding towns in his car.

The Catholic team took the game from the Presbyterian nine last evening by a score of 8 to 2. Keefe and Hagerty were batteries for the former and Baskins and Johnson for the Presbyterians.

Report of Teachers' Institute.
There were one hundred and seven enrolled in the Lincoln County Teachers' Institute held last week.

Monday evening the teachers were entertained at the home of County Supt. Gantt. Stamp's orchestra furnished music during the evening, games were played and all the teachers joined in singing some of the old songs.

Excellent lectures were given during the course of the week by Supt. Fred Hunter of Lincoln, Miss Helen Whippley of Fremont and Dr. Henry S. Curtis of Olivet, Mich.

Wednesday morning a short talk on the "Surprises of Life," was given by Rev. Knowles, and Miss Erma Huffman entertained the teachers with two splendid readings. Thursday morning talks were given by Supt. Moritz of the state superintendent's office and Mr. McMillen of the University Extension department gave a talk in the interests of the boys and girls club.

Friday evening Maj. Haberstro, of Kearney, entertained the teachers with several solos. During the institute there was an exhibit of the school work done in Lincoln county last year.

Prof. Garlich and Miss Esther Hogsett had charge of the music during the mornings.

Each Win a Game.
The Cleaners and Dycers ball team of Lincoln defeated the Boosters Sunday afternoon by a score of three to two in a game that was well played and on a field that maintained interest throughout. It was anybody's game up to the close, for with a three to two score the Boosters in the ninth advanced a man to third, but there he stuck. The visitors started in as though they were to make a clean-up, securing two runs in the first by two two-baggers, two sacrifices and an error, but Luby, for the Boosters tightened up, and allowed but four hits during the remainder of the game. The visitors secured their third score in the fifth. The locals scored once in the sixth and once in the eighth, and took eight hits off the visiting pitchers. Luby struck out seven, Buffan who pitched the first six innings four, and Meyers who finished the game for Lincoln struck out nine. The attendance was large.

In the second game played yesterday afternoon the Boosters outplayed the visitors and won by a score of four to three. The Boosters made a run in fourth, fifth, sixth and seventh innings, the visitors one in the second, third and ninth. Artley was in the box for the locals and pitched a good game. One of the features was a home run by Duffan, of the visiting team.

Remarkable Insurance Settlement.
The Aetna Life Insurance Company issued policy No. 314568 March 29, 1902 on the life of Wm. Siebold of North Platte, Nebraska. The contract was for \$2,000 and on the 20 Year Endowment plan requiring an annual payment of \$104.38.

Mr. Siebold made four payments, that is, he paid for the years 1902, 3, 4, 5 and then the policy was allowed to lapse, no further payments being made. Mr. Siebold died in July, 1915, without ever having made any request to the company for a return of his equity in this contract.

There was, however, provision made by the company in all of its policies at that time, the same as there is today, for returning to the purchaser, either in cash or in continued insurance, the full value of his equity. In the case of Mr. Siebold, no request having been made for this equity, THE FULL AMOUNT OF THE \$2,000 WAS AUTOMATICALLY CONTINUED IN FORCE UNTIL THE TIME OF HIS DEATH and his beneficiary, Mrs. Julia Siebold, was recently paid the \$2,000 in cash due her under this contract, even though no premiums had been paid on it for nearly ten years. The automatic extended insurance feature saved this insurance and is one of the most valuable features to be found in Aetna policies today. This policy was written by F. L. Monney local agent at that time. The present agent is W. H. Munger.

Mrs. Wm. Norris and children returned last evening from a short visit in Sidney with relatives.

Mrs. John Ayle and son Harold returned last evening from a week's stay in Sidney with relatives.

Hilmer Thompson of Chappell, will come down Thursday to visit his parents and accompany his family home.

Mrs. G. D. Chamberlain and children will return Thursday from Denver where they have been visiting friends.

Miss Mary Allen, of Farnam, came last evening to visit her brother A. S. Allen and family while enroute to Ft. Morgan.

Many a young man has gone wrong in this life because of some physical ailment, some strain on a highly wrought nervous temperament, exhausting nerve force, weakening the will power, impairing the moral sentiment. Among these exhausting and irritating influences no physical ailment can do more harm than eye defects. C. S. CLINTON, Registered Optometrist.

Before a recent thunder storm New York city was enveloped in darkness for several minutes. After the flood descended and the clouds broke it was found that 800 tons of coal were required to provide additional electric current to meet the sudden and tremendous demand for light during the dark spell.

Milk sterilized by electricity keeps sweet for eight days, according to experiments conducted in the public stations of Liverpool. All harmful bacteria are killed by the infection of a rapidly alternating current at about 4,000 volts. The milk is but its composition is not changed at all. Liverpool finds its general health records improving with rapid strides since the new system went into force.

Welcome a Good Cigar

And a good cigar means one made at the Schmalzried factory. Our reputation as a maker of good cigars in North Platte extends back thirty years. If we did not make good cigars we would have been forced to close the factory years ago. If you have not been smoking Schmalzried's Cigars it is not too late to begin.
