## Whelpley-Lord Wedding

Miss Helen Whelpley, of Fremont, who taught in the primary grade of the local schools for two years past, was married at the home of her mother, Mrs. L. D. Whelpley, at half past nine Sunday morning to Carl Lord, of Lincoln.

The ceremony was performed by Rev. Buff, pastor of the Congregational church in the presence of sixteen relatives and close friends. A three course wedding breakfast was served after the ceremony and congratulations and the bride and groom left for eastern points on a honeymoon trip.

Judge H. M. Grimes, of this city gave the bride away. She wore a beautiful gown of white messaline and lace veil, and carried bride's roses. The groom wore the conventional black.

Decorations were carried out in the color scheme of green and white and cut flowers were used in profusion.

The gifts were many and included silver, cut glass, china and furniture.

Mr. Lord is the telegraph editor on the Lincoln Daily Star and is very popular in business and social circles.

The bride made many friends during her residence here by her amiable manner, and the best wishes of a large circle of acquaintances are extended. They will reside in Lincoln in a newly furnished home.

## Lunkwitz Discharged

The Lunkwitz family, residents of Birdwood precinct, that has figured so frequently in the county court for years past, had an inning in that court Saturday when Ed Lunkwitz had a hearing on the charge of attempting to shoot his son Henry. The latter testified that his father shot at him, and only through quick foot-work did he escape. The father, on the other hand, testified that it was the son who did the shooting and that he, the father, escaped by the swiftest foot-pacing Birdwood precinct had ever known.

The case was dismissed with an admonishment from the judge that peace, quiet and contentment must hereafter reign with the Lunkwitz family or something serious may happen.

## Milton Schuster Pleases Audience

Milton Schuster and his Graces of Musical Comedy entertained a crowded house at the Keith last evening, presenting a three-act comedy entitled "A Prince for a Day." Schuster is certainly a clever comedian, and his portrayal of the Jewish character provoked much laughter. He is supported by an excellent company, including eight or ten girls who sing well and dance well. In fact the singing last night was good throughout, and especially so was the male trio. The company has the ginger that makes the show go through without a dull moment. The company will appear again tonight in "A Prince of Scandinavia," in which singing and dancing will be features, and of course Schuster will be there "with the goods." It is probable that practically all who were present last night will be there tonight, so you had better get your seats early.
